Important Note: All E-1/E-2 visa applicants (regardless of age) are required to pay the $390 processing fee. The visa application fee is determined by the type of visa you are applying for. You have indicated that you are applying for a Treaty/Investor Visa (E-1/E-2). The fee is US $390, payable in Euro. The exchange rate is fixed by the US Embassy. The current fee processing fee in Euro is €312 per applicant.

In Italian for the Bank's Reference:

La tassa non rimborsabile per la richiesta di visto é determinata dal tipo di visto per il quale Lei sta facendo la richiesta. Lei ha indicato di presentare richiesta per un visto di tipologia E-1/E-2. La tassa è di U.S. $390, pagabile in Euro. Il tasso di cambio è stabilito dall'Ambasciata degli Stati Uniti ed attualmente è pari a €312 a richiedente.

Two original receipts from the Banca Nazionale del Lavoro for the non-refundable visa application fee must be submitted for each application. If the bank issued only one receipt, please bring a photocopy to the interview.

Cash will not be accepted at the Consular Section, with the exception of paying the difference in the visa fee in euros if you have underpaid. This is a regulation of the American government and is noted on the application forms and information sheets.

Visa Application Forms:
All applicants, regardless of age, must complete the electronic Form DS-160 prior to the visa interview. Form DS-160 is accessible at **https://ceac.state.gov/genniv**. Upon completion of the DS-160 Form, you must print the confirmation page that includes the bar code to bring to the visa interview. Please note: even if you have successfully uploaded a photograph, you must still bring a photograph with you to your appointment. The required photograph must have been taken within the last six months.

Only the Primary Applicant will be required to also fill out Form DS-156e .
