Join us on December 12th, 2012 for the

10th Anniversary

Virtual Kickoff Party

On December 12, 2012, the Kennedy-Lugar Youth Exchange and Study (YES) Program will host a world-wide virtual Kickoff Party commemorating its 10th year. The event will honor the 6,000 plus alumni community from 45 countries including the United States, host families, host schools, host communities, current YES students, U.S. and overseas partner organizations who administer and implement YES, the U.S. Department of State, and U.S. Congress, especially the late Senator Edward Kennedy and Senator Richard Lugar.

The Kickoff Party will be a day-long event starting at 12:00 AM (EST) on December 12, 2012 on Twitter and Facebook. Anyone can join at any time during the event!

A 10-day countdown to the event, starting December 3, 2012, will announce to the YES community that this event is happening. Watch your inbox early next week for more information about the event and how you can be part of this exciting endeavor. YES Alumni can contact their country office with questions. All others can email YES10Event@gmail.com.

Don't miss out on the conversation.
