Embassy of the United States of America
Bucharest, Romania

LIST OF ATTORNEYS FOR ROMANIA

The following attorneys enjoy a good reputation and speak English. The Embassy cannot assume responsibility for their professional ability or integrity. If you have any complaints or concerns regarding any of the attorneys on this list, please contact us immediately. The attorneys are listed alphabetically, by town, and the order in which they appear has no other significance.

This list includes lawyers who handle criminal and civil (inheritance, divorce, etc.) cases and commercial law. A list of lawyers specializing in business law is available from the Embassy's Commercial Section.

We are providing this list of reputable attorneys licensed to practice in Romania with the understanding that you will select a legal representative with the same care that you would choose one in the United States. We advise the following:

- When making your choice, please take into consideration whether you can easily communicate with the attorney and whether he/she appears responsive.

- Please make sure you and your attorney are in clear agreement on the services that will be provided for the fee you pay. The best way to ensure this is to have a written fee agreement. It is wise to keep records and receipts of all payments.

- Please understand that the Romanian legal system is substantially different in its procedures from the American. Although many aspects may seem strange to Americans, the basic principles are the same, and the Embassy is aware of no case in recent years in which Americans were discriminated against because of their nationality. Your problem will be handled more effectively if you work with your attorney in the framework of the Romanian system, rather than if you expect that things will be settled “our way”.

- Be prepared for a lengthy process: Romanian courts are backlogged, and postponements and delays are very common. If there are special circumstances, your attorney can petition the court for an early trial or hearing date, but such requests are not always granted. The decision of the initial court is often appealed in Romania; in a civil case, however, an appeal cannot be filed until the initial decision is formally recorded by the court, a process that may take additional weeks. The Embassy has no standing to intervene in these processes.

The website of the Romanian Bar Association is http://www.unbr.ro. The website provides links to county bars with contact information for their members (http://unbr.ro/index.php?id=71&lg=1).
