PUBLIC LECTURE

RIGHT TO INFORMATION
in the Age of Instant Communication

- Why should governments provide access to information?
- Benefits to the government & the public
- The role of media in RTI
- The internet, social media & RTI

Speaker: Kevin Goldberg, Attorney

Kevin M. Goldberg is General Counsel (chief legal officer) for the American Society of News Editors; he is an expert in right to information, the U.S. Freedom of Information Act, freedom of speech, and intellectual property issues. Kevin graduated with high honors from George Washington University. He serves as the Chair of the Legislative Affairs Committee of the Media Law Resource Center, located in New York.

Kevin has published several articles on issues of importance to the media, is a regular conference speaker, and has appeared on major media as an expert on access to information and freedom of speech.
