Enclosed is a Request for Quotations for trash collection and disposal at the U.S. Embassy, Kanifing warehouse, and other locations from Fajara to Brufut Gardens. We encourage you to submit a quotation. Follow the instructions in Section 3 of the solicitation, complete the required portions of the attached Standard Form 1449, and submit to the U.S. Embassy, Kairaba Avenue.

Note that your quote must include occupational safety and health requirements for your employees, to include the provision and use of personal protective equipment (shoes/boots, gloves, masks, etc.). All waste disposal must be in accordance with the regulations and laws of The Gambia.

In order to verify compliance with the prohibition against trafficking in persons, we will periodically interview your employees to verify that they are being paid to adhere to the labor laws of The Gambia.

We intend to award a purchase order based on initial quotations, without holding discussions, although we may hold discussions with companies in the competitive range if there is a need to do so.
