Monday, September 6: American Labor Day. Labor Day is always the first Monday in the month of September. It is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country. The first Labor Day in the United States was celebrated on September 5, 1882 in New York City in the aftermath of the deaths of a number of workers at the hands of the US military and US Marshals during the 1894 Pullman Strike,
