Present this instruction sheet along with your passport to the Physician in Charge.

At the time of examination, the hospital will provide Medical Forms: DS 2054 or DS 3030 or DS 3025 or DS 3026.

The individual(s) accompanying this letter is (are) making application(s) for an Immigrant Visa(s) to the United States. The United States Public Health Regulations currently in force require that each intending applicant present a current physical and medical examination for Syphilis and Stool examination for presence of parasites.

The Panel Physician must make careful comparison of the identity of the visa applicant to the photograph attached to the alien's passport or to other documents of identity.

Medical Forms -- DS 2053, DS 3024, DS 3025, and DS 3026, as appropriate -- should be completed, endorsed by the Panel Physician, and returned to the American Embassy together with X-ray and copies of the laboratory reports. **It should be clearly understood that all costs would be borne by the applicant(s).**

AT THE TIME OF MEDICAL EXAMINATION YOU MUST PRESENT YOUR FAMILY MEMBERS' PASSPORTS AND YOURS TO THE PHYSICIAN-IN-CHARGE.
