The Descendants

Experience a bittersweet drama about a detached father Matt King (George Clooney) attempting to reconnect with his two daughters Scottie (Amara Miller) and Alexandra (Shailene Woodley) and their often-hilarious quest for the truth in this "moving, enlightening, funny and unapologetically human". Based on the novel by Kauai Hart Hemmings.

Cast: George Clooney, Judy Greer, Amara Miller, Shailene Woodley
Directors: Alexander Payne

2001 – 110 minutes

The Royal Tenenbaums

Royal Tenenbaum (Gene Hackman) and his wife, Etheline (Anjelica Huston), had three children -- Chas, Margot, and Richie -- and then they separated. Chas (Ben Stiller) started buying real estate in his early teens and seemed to have an almost preternatural understanding of international finance. Margot (Gwyneth Paltrow) was a playwright and received a Braverman Grant of \$50,000 in the ninth grade. Richie (Luke Wilson) was a junior champion tennis player and won the U.S. Nationals three years in a row. Virtually all memory of the brilliance of the young Tenenbaums was subsequently erased by two decades of betrayal, failure, and disaster. This is a hilarious, touching, and brilliantly stylized study of melancholy and redemption.

Cast: Gene Hackman, Anjelica Huston, Gwyneth Paltrow, Owen Wilson, Ben Stiller, Luke Wilson
Director: Wes Anderson
