When the evil wizard Gargamel chases the tiny blue Smurfs out of their village, they tumble from their magical world and into ours - in fact, smack dab in the middle of Central Park. MONSTERS, INC.

2001- 93 minutes

Director: David Silverman

Voices: Billy Crystal, John Goodman, Mary Gibbs, Steve Buscemi, James Coburn

Top scarer Sulley (John Goodman) and his enthusiastic Scare Assistant Mike (Billy Crystal) work at Monsters, Inc., the largest scream-processing factory in Monstropolis. The main power source of the monster world is the collected screams of human children. Monsters believe children are dangerous and toxic, however, and they are scared silly when a little girl wanders into their world. Sulley and Mike do their best to return the girl home, but they face monstrous intrigue and some hilarious misadventures along the way.
