

CONSULATE GENERAL OF THE
UNITED STATES OF AMERICA
Jeddah, Saudi Arabia

Advertisement for A/E Services

Architectural and Engineering services for NCC Amenities design and estimation of construction cost. In Jeddah, Saudi Arabia.

Firms responding to this announcement on or before closing date will be considered for selection using the following evaluation criteria in descending order of importance:

- Relevant, professional qualifications of the firm in the type of work required for projects having a construction value of at least **SAR 1,000,000.00** in the past three years;
- Specialized experience and technical competence in the type of work required;
- Demonstrated success on similar projects in terms of quality of work and compliance with performance schedules, cost/schedule controls and program/project management techniques. Briefly describe internal quality assurance and cost control procedures and indicate effectiveness by listing budget/estimated construction cost, award amount, final design estimate and construction changes for five recent projects. Although previous or ongoing performance of a similar U.S. Government contract is not required for firms responding to this solicitation, if such contracts have been performed, the offeror must have performed at a satisfactory level; and
- Personnel capacity to accomplish the work in the required time.

The American Consulate, Jeddah will select for negotiation the licensed firm that demonstrates the best qualifications. Replies to this advertisement with a completed Standard Form 330, (available upon request), must be received not later than 5:00PM on April 25, 2016 at the American Consulate Reception, Hail street. Jeddah, Saudi Arabia
