Purpose of Grant: Grants are intended for individuals, non-governmental organizations, think tanks, and academic institutions.

Grant proposals should aim to create or extend the community of reform-minded individuals and groups and should meet one or more of the following PAS priority themes:

- 1. Democracy:** PAS is looking to fund programs that foster expanded outreach capabilities of organizations working in fields related to civic education, building up government institutions and strengthening public participation in the democratic process at the grassroots level.
- 2. Reconciliation:** Côte d'Ivoire still suffers the repercussions of civil war, division and post-electoral violence. PAS seeks to support projects that promote tolerance and conflict resolution.
- 3. Economic Development:** Economic development is needed in Côte d'Ivoire in order to reduce poverty and youth unemployment. PAS seeks to support training programs that encourage entrepreneurship and growth of the economy.
- 4. Gender Equality:** The rights of women and the fight against sexual and gender-based violence are paramount issues in Côte d'Ivoire. Public Affairs Abidjan seeks to support projects that promote women's participation across all sectors of the economy and society. Attention will be given to projects that seek to promote behavior change at a local, regional and societal level with regards to the rights of women.

8. HIV/AIDS: As part of the President's Emergency Plan for AIDS Relief (PEPFAR), PAS seeks to fund projects that raise awareness of the issues surrounding HIV/AIDS including promoting prevention, care and treatment for the disease, as well as the important role communities play in countering the epidemic. PAS will ONLY consider funding projects that seek to inform the Ivoirian public. PAS will NOT fund the provision of HIV/AIDS testing, treatment or care services.
