Request for Quotation - Boat Repair PR2080447

The US Embassy in Dar Es Salaam requests quotations for qualified boat repair services for Tanzanian Police Maritime Unit boats located around Tanzania.

The successful bidding vendor will have the following qualifications:

- Factory authorized repair shop for both RayMarine electronic equipment and Yamaha outboard boat motors and will be able to prove it through certificates.
- Able to complete engine rebuilds in the field
- Able to complete service in the field to maintain Yamaha engine warranty
- Able to complete high quality fiberglass work in the field to maintain the integrity of existing boats.
- When necessary, able to provide Yamalube lubricants or equivalents per factory specifications to ensure warranty coverage
- Workmen must be fluent in written and speaking Swahili and English
- Able to respond with required original Yamaha and Raymarine factory parts and appropriate tools within 72 hours to the following locations: Dar Es Salaam, Mwanza, Kigoma, Mtwara, Tanga, and Stone Town, Zanzibar. Other locations may be added.

If you would like to submit a quote, please send the following:

- A proforma invoice with:
 - o Your daily rate for non-standard repairs
 - o Your rate sheet for standard repairs
- Factory authorized repair qualification certificate for Yamaha boat motors
- Factory authorized repair qualification certificate for RayMarine electronics products

When receipts are presented for pre-approved work, reimbursements will be made for parts at list price and for reasonable accommodation and travel expenses. There may be on-site supervision.

Please send your quotation before 12:00 noon on September 26, 2013 to darprocurementbid@state.gov.

- State in your subject line that this is for Boat Repair PR2080447
- State on your proforma that this submission is for Boat Repair PR2080447

Sincerely,

The Contracting Officer
