REQUEST FOR QUOTATION - New Truck with Mounted Knuckle Boom Truck - Extended Closing Date

Dear Prospective Vendor,

The US Embassy Dar es Salaam is interested in purchasing a new truck with a mounted knuckle-boom crane. The bed of the truck must be able to accommodate at least a 20 foot filled container. The crane must be able to lift an empty forty foot containers or an object of equal weight. Height of the lift capacity of the truck mounted crane must be straight up hook height of at least 30 feet. The truck must have manual transmission, power assisted brakes, power assisted steering, rear wheel drive only with tandem rear wheels, spare tire, jacks, tools, and outriggers worked hydraulically by side of truck operation or next to the truck mounted crane. Fuel will be diesel and tank capacity is not less than 50 gallons. Truck to have rear view externally mounted mirrors, air cushion driver seat or equal. It must come with towing hitches and towing capacity.

If you would like to submit a quotation, provide a pro-forma invoice.

Please submit your quotation in a sealed envelope marked "Quotation Enclosed" on or before September 20 at 10:00am local time.
