

STATEMENT OF WORK
FOR
Design and Build Services
For
Renovation of a portion of
a residence in Tallinn, Estonia

10/22/2013

Project 2014-001

1.0 INTRODUCTION

1.1 Overview:

The U.S. Embassy Tallinn has a requirement for a contractor to design and build the renovation of a garage area into livable space Tallinn. The work will consist of:

- All design work, planning, drawings and permits to convert 21 square meters of space currently used as a garage into living space with a full bathroom.
- Demolition of existing wall coverings, doors and trim as needed. Contractor to be responsible for proper disposal of all trash.
- Remove and dispose of existing garage door and build a new exterior wall with two double pane windows approximately but not limited to 75mm x 125mm. Exterior of wall shall match finish of existing exterior wall on the garage. Provide and install all furring and drywall for new exterior and interior walls and ceilings.
- Provide and install new insulated steel door with passage hardware in existing opening.
- Provide and install all wiring, switches, outlets and lighting for a complete project. Lights to be surface mounted LED. Provide GFCI circuit for bathroom. Garage has an existing sub-panel. Contractor to be responsible for upgrading panel and service as needed for new electrical loads if needed.
- Provide and install new bathroom. Bathroom to have one floor drain, one toilet, one sink with base, and one shower, one glass shower partition, one toilet paper holder and two towel bars. All plumbing shall be the responsibility of the contractor and be run to existing septic tank. Provide and install new door and hardware, walls, ceramic wall tile, ceramic floor tile, trim and waterproofing for new bathroom.
- Provide in floor electric heat for bathroom. Provide electric radiant heat as needed for comfortable living conditions in living space.
- Provide and install ceramic tile floor covering in living space.
- Provide and install minimum 100 mm wall insulation and 500 mm ceiling insulation for all living and bathroom space.
- Provide and install electrical outlets in living area.
- Provide labor and materials to paint living area walls and all ceilings. We will also need another existing office space (21 square meters) to have all walls and ceiling painted as part of the work. All paint to be white.
- Contractor to be responsible for all temporary protection as needed to assure no damage to other work. All damages shall be corrected as a part of the work.
- Contractor to be responsible for all preparations and cleaning needed.
- Contractor to be responsible for all work and supplies as needed for a complete project.

1.2 The residence location is in the neighborhood of Vismeistri, Haabersti, Tallinn.

1.3 The Contracting Officer Representative (COR) shall be:

Josh Weisman
+372-668-8100
Weismanjd@State.Gov

1.4 All inspections will be requested through the COR.

2.0 GENERAL REQUIREMENTS

2.1 The Contractor shall provide a quantity of construction personnel, design documents, equipment, materials, tools and supervision as needed to complete the services and technical requirements in the Statement of Work (SOW). It is expected that the Contractor shall partner closely with Embassy personnel.

2.2 The Contractor must have experience with bathroom design and construction and provide three references of previous work of this type.

2.3 No work shall be started until owner has reviewed and approved renovation design documents.

2.4 The Contractor shall designate and make available a representative to meet with the Contracting Officer's Representative (COR) weekly to discuss the Progress Report, or other matters pertaining to the Project. The contractor shall follow up all telephone conversations affecting the scope of work with an email summary of the conversation sent to the COR.

2.5 All work shall be executed in a diligent manner in accordance with a negotiated firm fixed price and performance period.

2.6 Normal work week is from Monday through Friday from 08:30 to 17:00.

3.0 CONTRACT ADMINISTRATION

3.1 The Contractor shall NOT conduct any work that is beyond this Statement of Work unless directed in writing by the CO. Any work done by the Contractor beyond this SOW without direction from the Contracting Officer (CO) will be at the Contractor's own risk and at no cost to the U.S. Government.

3.2 Neither payment, or approval, nor acceptance of Contractor's services under this contract by the Embassy shall be construed to operate as a waiver of any rights under this contract or any cause of action against the Contractor arising out of the performance of this contract.

3.3 The Embassy has the right to inspect and test all services called for by the contract, to the extent practicable, at all times and places during the term of the contract.

3.4 The COR, on behalf of the CO, has the authority to issue a temporary stop order during the execution of any particular phase of this SOW. This authority may be executed when the Embassy requires time for official functions or is in possession of specific credible information indicating that the lives of Embassy personnel are immediately threatened and that the execution of the project will increase the Embassy's vulnerability. The COR

shall promptly notify the CO that work has been stopped. The Embassy may stop work on up to 10 occasions for full workdays during the project with 24 hours' notice to the Contractor. The Embassy shall fund work stoppage for mission critical operations beyond 10 days.

- 3.5 The CO has the right to terminate this contract for convenience at any Phase in whole, or from time to time, if the CO determines it is in the interest of the U.S. Government.

4.0 RESPONSIBILITY OF THE CONTRACTOR

- 4.1 The Contractor shall prepare and maintain a Project Schedule to address the cost and schedule for the project. The Project Schedule is intended to document the entire project from beginning to end.
- 4.2 Any cost associated with services subcontracted by the Contractor shall be borne by and be the complete responsibility of the Contractor under the fixed price of this contract.
- 4.3 The Contractor shall be and remain liable to the USG in accordance with applicable US law for all damages to the Embassy caused by the Contractor's negligent performance of any of the services furnished under this contract. The rights and remedies for the USG provided for under this contract are in addition to any other rights and remedies provided by US law.
- 4.4 The Contractor's senior representative shall be responsible for briefing COR on the status of the Work. The Contractor shall have all the means to communicate with on-site personnel using state-of-the-art technologies for the industry including, but not limited to, electronic mail, World Wide Web, digitizing equipment, wireless phone or other means.
- 4.5 The Contractor shall ensure that the overall program is executed smoothly, delivered on schedule, and within the project budget. The Contractor shall coordinate the efforts of all sub-contractors to ensure successful completion of this program within schedule and cost.
- 4.6 The Contractor shall clean the worksite at the end of each day and be responsible for all waste removal associated with their work.
- 4.7 All unclassified drawings and unclassified documents must be returned to the COR at completion of the task order. In addition, all documentation produced for this project shall become the property of the USG at the completion of the project.
- 4.8 The Contractor is responsible for safety and shall comply with all local labor laws, regulations, customs and practices pertaining to labor, safety and similar matters. The Contractor shall promptly report all accidents resulting in lost time, disabling, or fatal injuries to the COR.

5.0 CONSTRUCTION SERVICES

- 5.1 The Contractor shall survey the compound areas where construction will take place and become thoroughly familiarized with the existing conditions and conditions that will affect the construction. The Contractor shall ascertain all local permit requirements, licensing requirements, and the quality and availability of materials, sub-contractors, and equipment that may be needed to execute the contract.
- 5.2 The Contractor shall inspect and evaluate all available drawings and reports pertaining to the project. The Contractor shall field verify all dimensions for construction relevant to the project.
- 5.3 All materials and equipment incorporated into the project shall be brand new. The Contractor shall transport and safeguard all materials and equipment required for construction as instructed by the manufacturer's instructions.
- 5.4 The contractor shall include all transportation and installation costs in the bid price.
- 5.5 The Contractor shall at all times keep the work area free from accumulation of waste materials. Upon completing construction, the Contractor shall remove all temporary facilities and leave the project site in a clean and orderly condition acceptable to Post. Any repair of damage caused as a result of this project will be the responsibility of the Contractor.
- 5.6 The Contractor shall maintain continuous usage of existing systems during construction, including providing temporary cooling units if necessary.
- 5.7 Deliverables to Accompany Completion of Construction: The Contractor shall provide one copy of the following to the COR:
- A. Contractor & Manufacturer's Contact List. The Contractor shall provide a list containing contractor's & manufacturers' contact information for future repair and maintenance.
 - B. Maintenance Instructions. Provide two copies to Embassy.
 - C. Manufacturers' Warranty. Provide two copies to Embassy.
 - D. One-year workmanship guarantee in writing covering all equipment, materials and labor in the event any workmanship or equipment items are found defective
- 5.8 The Contractor shall provide operations and maintenance training on the system to Post staff. Coordinate training periods with the COR in writing at least seven (7) business days in advance.

6.0 PROJECT SCHEDULE

- 6.1 The Contractor shall commence work under this contract promptly upon Notice to Proceed, execute the work diligently, and achieve final completion and acceptance of the

project, including final cleanup of the premises and training of Post operations personnel, within the contract period specified.

6.2 Milestones:

- Pre-Bid Meeting November 29, 2013 at 10:00
- Bid Due Date December 8, 2013 no later than 13:00
- Beginning of work December 18, 2013
- Completion of project No later than January 30, 2013

6.3 Notification of intent to attend pre-bid meeting must be submitted to WilliamsPC@state.gov more than 24 hours in advance for security clearances.

6.4 Bids must be submitted in English and are due December 8, 2013 no later than 13:00. All bids to be submitted by email to WilliamsPC@state.gov.

7.0 SECURITY CLEARANCES

7.1 All people on site must get clearance from the Embassy Regional Security Officer prior to being allowed on site. Because of the clearance requirement, the work to be performed under this contract requires that the Contractor, its employees and sub-contractors submit personnel information for review by the Embassy. Information submitted by the Contractor will not be disclosed beyond the Embassy.

7.2 The contractor shall submit this information including vehicle requirements within 5 days of the Notice to Proceed.

8.0 PAYMENTS

8.1 The Contractor shall provide a fixed fee, lump sum proposal to the CO for the work.

8.2 The Contractor shall submit the invoice, with the appropriate backup documents to the COR. The COR will determine if the invoice is complete and proper as submitted. The COR also will determine if billed services have been satisfactorily performed and if expenses billed are correct. If it is determined that the amount billed is incorrect, the COR will within seven days, request the Contractor to submit a revised invoice.

8.3 Payment terms are 30 days.

8.4 The Contractor shall specifically identify his last invoice "Final Invoice". The Final invoice shall include the remaining payment claimed to be due under the basic contract and all modifications issued, if any. The final invoice shall also include the Contractor's Release of Claims Certificate attached.
