

PROTECT YOUR CLIENTS AND YOURSELF FROM DATA THEFT" ON AUGUST 17, 2016

The Internal Revenue Service (IRS) will host a webinar on "Protect your clients and yourself from data theft" on Wednesday, August 17, 2016, from 1:00 p.m. – 2:30 p.m. EDT.

To register and attend this webinar, use the [Protect your clients and yourself from data theft](#) webinar link. Participants should log in 10 minutes prior to the start time. This session will be recorded and made available at a later time on [IRSvideos.gov](#).

The webinar will cover:

- Security Summit initiatives for FY 2017, including enhancing tax professional awareness of client data safeguards;
- Increase awareness of legal requirements and best practices to better protect taxpayer information;
- Learn more about emerging scams from our Criminal Investigation expert;
- Outline steps tax professionals should take if they suffer a loss of taxpayer data; and
- A live Q and A with IRS subject matter experts.
