

Cafeteria Services

The US Embassy is accepting proposals for an operator to run its Cafeteria.

Service is required Monday-Friday, 7:30am - 2:30pm (additional hours of operation may be proposed by the licensee and are subject to approval by the licensor).

Services required – Coffee, fresh muffins & pastries, yoghurt, sandwiches, drinks, soup and salad for a regular clientele of approximately 50 persons and a potential customer base of approximately 200 persons. There may also be an option for the successful offer to operate vending machines outside of the cafeteria's opening hours.

Services would start in late June, 2010.

Facilities – The Embassy provides a fully equipped kitchen and dining room free of charge to the operator. All utilities are provided at no cost to the operator.
