AT THE 2015 ALGIERS INTERNATIONAL BOOK FAIR**

The United States Embassy is honored to participate in the 2015 Algiers International Book Fair. Come visit our booth, located at the Central Pavilion of SAFEX, and experience a variety of programs and activities.

The U.S. booth will offer different cultural and English language activities, and presentations by experts such as:

- “Children’s Reading Club” – children read along and take home a book;
- “Let’s Chat” – participants engage in discussions on a variety of topics, such as the environment, with a native English speaker;
- “English through Games” – English is easy when it is fun!
- American literature;
- Consular issues; and
- University study in the United States and exchange programs.

You can also discover a sampling of the English-language books and magazines we have available year-round in our Information Resource Center (IRC) and learn how to become an IRC member. Stop by our booth to join our Embassy mailing list and get the latest information on our programs and activities throughout the year.
