*"Upbeat, downbeat, odd-meter" - The Doug Johnson Trio*

**Doug Johnson**, associate professor of piano at the renowned Berklee College of Music has a unique style that combines a traditional jazz conception with rhythms from Brazil and the Balkans. The trio plays with genuine lyricism while Doug's compositions and arrangements of standards are full of musical surprises.

Together with New York bass player Edward Perez and Austrian drummer Harry Tanschek, he has performed in the United States and internationally. The trio has released the much acclaimed CDs *March of Time* and *Live at the Royal Garden*.
