

## **Design an Azerbaijan-USA logo and win a laptop!**

The U.S. Embassy in Baku is pleased to announce a competition for Azerbaijani youth to design a new Embassy logo that highlights the relationship between the United States and Azerbaijan. Entry to the competition is open to all Azerbaijani students currently enrolled in schools up to and including 11<sup>th</sup> form. Immediate family members of U.S. Embassy employees are not eligible to participate in this competition.

A panel of judges from the U.S. Embassy will award a laptop computer to the student whose design is selected for first place, and that design will be utilized by the Embassy for future programs, including a soon-to-be-launched Facebook site. Other prizes will be awarded for the second and third place designs.

Designs that include a creative combination of clearly identifiable U.S. and Azerbaijani themes are highly encouraged (examples: national colors, flags, cultural icons etc). Winning designs will be selected based on how well they reflect the close cooperation of the United States with Azerbaijan.

Submissions must be completely original artwork and the design must not have been published before. Submissions that use or partially use designs and components that are not created by the student will be disqualified.

All submissions will become the property of the U.S. Embassy, which will have exclusive rights to use the design in any manner in the future.

Entries must be submitted electronically as a high-resolution .TIF or .JPG to [BakuCulture@state.gov](mailto:BakuCulture@state.gov) by midnight on the 5<sup>th</sup> of December 2010. Participants are asked to include their full name, age, and a telephone number and/or email where they can best be reached. Winners will be notified by telephone and/or email on or about 10 December 2010.
