

**U.S. Embassy Bahrain**  
**Demonstration Notice 08 Update - January 20, 2012**

Spontaneous demonstrations take place in Bahrain from time to time in response to world events or local developments. United States citizens should keep current with media coverage of local events and be aware of their surroundings at all times. If you encounter a large public gathering or demonstration, depart the vicinity immediately.

**- Friday, 20 January 2012:**

**- At 1530 hours, the unauthorized demonstration that was planned for Abdul Kareem roundabout on Budaiya Hwy (east of Burgerland and the International Hospital of Bahrain), is now likely to be a march from Jidhaffs to Karannah along Budaiya Highway. Expect major traffic delays and please plan accordingly.**

**- At 2000 hours, an unauthorized demonstration is planned in Manama in the vicinity of American Mission Hospital.**

**- There are calls for widespread demonstrations throughout Bahrain to be held concurrently with the Bahrain International Air Show, 19-21 January.**

**Some demonstrators have engaged in clashes with the police and continue to employ tactics such as placing debris and oil on roadways, throwing steel spikes and Molotov cocktails. These actions often result in adverse driving conditions, an increased police presence, and significant traffic delays. The Embassy expects these tactics to continue. Please use caution as you drive and plan additional time to arrive at your destination.**

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations.
