

United States Embassy, Dhaka, Bangladesh
Security Message for U.S. Citizens
Nationwide Blockade from December 21 until December 24, 2013

The Bangladesh Nationalist Party (BNP) has called for an 84 hour nationwide blockade of all intercity roadways, railways, and waterways starting from Saturday, December 21, 2013, at 6:00 a.m. until Tuesday, December 24, 2013, at 6:00 p.m.

During the blockade, the U.S. Embassy will take a prudent approach to ensure the safety of all employees. The travel of U.S. Embassy employees and their family members is restricted to the Diplomatic Enclave (Banani, Baridhara and Gulshan). This restriction comes into effect at 6:00 p.m. Friday, December 20, 2013 and remains until 6:00 p.m. Tuesday, December 24.

Due to isolated incidents in the diplomatic enclave, including the use of homemade low-performance explosive devices, Embassy personnel have been advised to exercise caution and minimize movement and exposure even within the enclave during this time.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.

Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.

We strongly recommend that U.S. citizens traveling to or residing in Bangladesh enroll in the Department of State's [Smart Traveler Enrollment Program \(STEP\)](#).
