Nationwide Strike or Hartal Called for Monday, November 23, 2015

November 22, 2015

The Jamaat-e-Islami, an Islamist political group, has called for a nationwide “dawn-to-dusk” hartal on November 23 to protest the executions of a Jamaat leader and an opposition political party leader. “Dawn-to-dusk” hartals almost always begin at 6:00 a.m. on the day they are called and generally end at 6:00 p.m. on the same day. However, hartal organizers and supporters will often begin their protests the night before a hartal is scheduled to commence.

A hartal is a mass protest and recognized political method for articulating a political demand. As always, remain vigilant, avoid crowds and be aware of your surroundings at all times.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
