This list is prepared by the Consular Section of the Consulate General of the United States of America in Barcelona, Spain.

This list covers the American Consulate General Consular District of: The Autonomous Community of Catalonia; Provinces of Barcelona, Lerida, Tarragona and Girona, The Autonomous Community of Aragon; Provinces of Zaragoza, Huesca and Teruel, The Autonomous Community of the Balearic Islands; Islands of Mallorca, Ibiza and Menorca and the Principality of Andorra.

The Consulate General assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities or air ambulance services whose names appear on the following lists. Names are listed alphabetically, and the order in which they appear has no other significance. Professional credentials and areas of expertise are provided directly by the medical professional, medical facility or air ambulance service.

It is suggested that a person referring to this list inquire as to the fee charged for the medical service, since fees vary considerably, depending upon the type of examination required as well as attendant X-rays and lab fees.
