CONTINUATION TO SF-1449
RFP NUMBER S-BE200-16-R-0006 SCHEDULE OF SUPPLIES/SERVICES, BLOCK 20
DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

I. Scope of Work

For each year of the contract, the U.S. Government guarantees a minimum order of 30,000 liters of heating oil. The maximum amount of heating oil ordered under each year of the contract shall not exceed 350,000 liters.

The contractor will make deliveries based on the contractor's "automatic delivery" system that monitors the fuel consumption at each point, except as follows:

- Building B050: a delivery will be made every two weeks, except for the months of May, June, July and August, where a delivery will be requested if needed, or unless otherwise instructed by the COR.

The contractor shall, at least two weeks in advance, submit a complete delivery schedule for each location listed in this contract. This schedule will indicate the date and time (A.M. - P.M.) for each scheduled delivery. The COR (Contracting Officer's Representative) will review it and request changes to this schedule if necessary. Once a definitive delivery schedule has been established, the Contractor will follow it strictly. The Embassy shall, in case of an emergency, have the right to make last minute changes to the schedule, by mutual agreement with the Contractor. The Embassy will under no circumstances accept claims from the contractor for services that were refused, or could not be executed, due to Contractor changes to the established work schedule or as mutually agreed.

The heating oil provided will be high grade heating oil conforming to the norm NBN T 52-716. For supply and delivery of the heating oil, the Contractor shall be paid the fixed price per unit as listed above. The price listed in the pricing schedule above under "A. Official Price" is not to exceed any official rate, as set by laws enacted by the government of Belgium.

The complete list of heating oil deliveries can be found in "Attachment 1".

Delivery:

The Contractor shall deliver heating oil to the U.S. Embassy buildings and residences. The majority of these properties are located in the Brussels Metropolitan Area. Delivery must be made between the hours of 8 a.m. and 5 p.m. from Monday through Friday. The contractor shall have a 24-hours emergency delivery service, including weekends and holidays. Any contractor personnel involved with the delivery of the heating oil shall comply with Embassy regulations for receiving supplies. The Contracting Officer's Representative (COR) will be responsible for instructing contractor personnel at the time deliveries are made. Each time a delivery is made, the driver of the tanker truck must submit a delivery note indicating time, date and quantity delivered. This information has

to be provided by a counter/printer sealed and calibrated by the Department of Weights and Measures.

Price Adjustment:

(a) The unit price per liter of heating oil may be adjusted based on increases or decreases in the official price of heating oil, mandated by the government of Belgium.

(b) The U.S. Government will make no adjustment to the contract price that relates to any wages, overhead, fixed costs, general and administrative expenses, materials, or profit. Only the amount which is a direct result of an increase or decrease in the price of oil to be delivered under this contract shall be considered by the U.S. Government as the basis for contract price adjustments.

(d) The Contractor may not request an adjustment under this clause after final payment has been made under this contract.

(e) This clause shall only apply to laws enacted by the government of Belgium which meet the criteria set forth above. The U.S. Government will make no adjustments in contract price due to currency devaluations or fluctuations in exchange rates.

II. Quality Assurance and Surveillance Plan (QASP)

This plan provides an effective method to promote satisfactory contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor Contractor performance, advise the Contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. The Contractor, not the Government, is responsible for management and quality control to meet the terms of the contract. The role of the Government is to monitor quality to ensure that contract standards are achieved.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).
