

## **U.S. Embassy Belmopan** *Press Release*

February 21, 2015

### **Interruption of Flight Services**

Due to unforeseen circumstances, all arriving and departing international flights in and out of the country of Belize are disrupted at this present time due to an interruption of air traffic control services at the Philip Goldson International Airport. Efforts are in progress to resume services in and out of the country. During this unscheduled event, travelers are advised to contact airline representatives for current flight status.
