

DEMONSTRATION NOTICE

**U.S. Embassy
La Paz, Bolivia**

March 20, 2013

The U.S. Embassy in La Paz has received information about an indefinite general strike in the Department of Oruro and also numerous road blocks and blockades that have been set up on major thoroughways and roads outside of La Paz.

Travel has been disrupted due to these road blockades, particularly to and from the city of Oruro. U.S. citizens are advised to postpone travel to Oruro and to check the local news for updates on the situation.

These strikes usually involve demonstrations. The locations of the demonstrations and road blocks will likely change throughout the strike.

When roadblocks are encountered, U.S. citizens should not attempt to pass through them.

U.S. citizens are reminded of the following emergency preparedness advice and directives:

- Maintain an adequate supply of food, water, medicines, and any other necessary items for your family on hand in your home.
- Fill your vehicle with gas and avoid letting it get below half tank.
- Avoid areas where roadblocks and demonstrations are occurring and do not attempt to run blockades.
- U.S. citizens are advised to monitor the local media.

The U.S. Embassy reminds you that demonstrations and road blockades are not unusual in Bolivia. Even demonstrations intended to be peaceful can turn confrontational and escalate into violence between security forces, demonstrators, and bystanders. U.S. citizens should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Be alert and aware of your surroundings and pay attention to what the local news media has to say. Please note that the police have limited capabilities outside major cities and communication is poor.
