K1/K2 VISA APPLICANTS INSTRUCTIONS PACKAGE

Introduction

These instructions are for fiancé(e) visa (K1) applicants and their dependents (K2) who have had the I-129F petition already approved in the United States and sent to the Visa Immigrant Unit at the United States Consulate General Rio de Janeiro.

If you already have an interview appointment scheduled at the Immigrant Visa Unit and have not yet received by mail the list with all the required documents, please follow the instructions below. All members of your family that will immigrate with you (dependents that are eligible to be included in this process) must come to the interview. If you cannot keep this appointment, please, notify our office immediately. Please see our [Contact Information and Working Hours](#) page.

Note: All the interviews for K1/K2 visas are conducted exclusively at the U.S. Consulate General in Rio de Janeiro.

You must obtain all the documents listed below that are required for your application and **bring them on the day of the interview**. Please, **do not** mail any of the documents to the consulate.

**Application for Immigrant Visa and Alien Registration Form 230 Part-1
and Online Application Form DS-160**

Background

The required forms contain questions regarding specific biographical information necessary for K1/K2 visas.

**Who Completes
the Forms**

Each family member that is eligible to travel to the United States with you under this visa classification is required to complete the [DS-230 Part-1](#) and the DS-160. This would include any unmarried children under the age of 21. Please, fill out the [DS-230 Part-1](#) completely. If a question does not apply to you then you must mark it with a N/A (not applicable).

The form DS-160 is a web based form and you will have to access the [CEAC](#) (Consular Electronic Application Center) web page to fill out this form. To fill out the DS-160 form electronically you should have internet access. It has to be filled out in English. It is not necessary to print the form itself; you should only print the barcode page which is the confirmation page.

**Completing the
Online Form
DS-160**

The DS-160 is web-based, and when completed, transmits the applicant's information to the post where he/ she will be interviewed. Since the data is collected electronically, we can conduct several types of advanced processing and triage, reducing delays. This also means that applicants who request visas frequently can save their original application and simply submit the updated form.

The form DS-160 can be accessed at the location: <https://ceac.state.gov/genniv/>.

Before accessing the DS-160, please take note of the following:

Write down the application ID displayed on the top right-hand corner of the page. If you need to close the browser before submitting your application, you will need this application ID to continue your application. The DS-160 site may also suffer intermittent connectivity issues. Please save your work frequently.

The form should be completed in English.

- As you complete the form, review your answers, and save a copy to your hard-drive, CD or pen-drive and save frequently.
- If you are asked if you "attended any educational institutions beyond elementary school," you should list all the educational institutions you attended from the age of 11;
- Please provide correct and complete responses to all the questions, especially in the "Name and Surname", "Date of Birth", "Gender", "Other Names Used," and "Type of Visa" fields. You will have a chance to review the information before submitting your form electronically. If you do not fill the form correctly, your application may not be accepted.
- If you are unable to submit your application, the data will not be transmitted to the United States Consulate General in Rio de Janeiro;
- Select the correct location where you will apply for your visa. Please note that, in Brazil, K1/K2 visas are "only" processed at the Consulate General in Rio de Janeiro. The information will be sent electronically to the selected location when you submit the application online;
- Select the correct visa category in "Purpose of Travel to the United States" - a list will appear in response to the question "Are you the primary applicant?";
- If you do not yet know the address where you will be staying in the US, do not leave the field blank. When asked, type N/A (not applicable).
- It is not necessary to print the form itself; you should "only print the barcode page" which is the confirmation page. Bring your confirmation page along with a 5x5 cm or 5X7 cm photo to the interview and all the other required documents.

Children Who are About to Reach 21 Years of Age

Important Information

If you have children who intend to immigrate with you to the United States, or to join you in the United States at a later date, please read this important information.

In order to receive the visa with you to the United States, or to follow you until 1(one) year after your visa issuance, your children **must be unmarried and under the age of 21 at the time they enter the United States**.

Who to Notify

If any of your children will turn 21 within 90 days, please **notify** the Immigrant Visa Unit at the United States Consulate General in Rio de Janeiro, **immediately**. Please see our [Contact Information and Working Hours](#) in our website.

Note: We will process your visa as quickly as possible so that we can issue a visa to your child on the same day we issue yours. Your child must enter the United States within the validity of the visa, you must get married to your fiancé (e), you must file for adjustment of status and adjust your child's status before he turns 21. If that is not possible, your child will only be able to remain in the United States during the period authorized by the USCIS Officer at port of entry.

Failure to Notify

Failure to notify the United States Consulate in Rio de Janeiro that you have a child, who will turn 21, could result in that child being above the legal age at the time your visa is issued. In that event, you will be required to file a separate petition for your child after you immigrate, and your son or daughter will face a waiting period before *he or she will* be eligible for visa processing.

What Happens Next?

Only after your interview the Consul will be able to make that decision. **We do not encourage you to make any final travel arrangements, sell your properties or quit your job before your visa is issued.**

This Office will do its best to process your visa as soon as possible but you will most likely have to spend the entire morning and part of the afternoon in this Office until the Consul can make a final decision on your request. If any problem is detected, it is possible that you may have to return to this Office again.

Upon the approval of your visa you will receive instructions on how to contract this service. **This service is mandatory.** The consulate will not be responsible for losses or damages that may occur to the correspondence, nor any tracking system. If the correspondence gets lost, you would have to prepare all the documents again in order to receive another visa.
