

**EMBASSY OF THE UNITED STATES OF AMERICA
BANDAR SERI BEGAWAN**

April 14, 2014

Dear Prospective Quoter:

SUBJECT: Request for Proposal Number SBX60014R0001

The Embassy of the United States of America in Bandar Seri Begawan has a requirement for a firm to supply materials, labor, equipment and technical supervision for the mitigation of rain and perched water infiltration at the Embassy compound. This construction effort is estimated at between US\$100,000 and US\$250,000 and needs to be completed by October 2014 in the district of Bandar Seri Begawan, Brunei Darussalam.

This work entails the program for mitigation of rain and perched water infiltration, damage and/or nuisance to: Parking and Driveway Stone Paving, Yard Electrical and TSS Manholes and Yard turf areas. The mitigation plan shall be installing sump holes and sump pump in selected manholes to eject infiltrating water, providing perforated sub surface drain pipes to reduce the water saturation level in the demarcated turf areas and removing & resetting the Granite pavers using flexible grout.

All firms that respond to the solicitation must be technically qualified and financially responsible to perform the work. At a minimum, each offeror must meet the following requirements when submitting their proposal:

- Be able to understand written and spoken English;
- Have an established business with a permanent address and telephone listing;
- Have the necessary personnel, equipment and financial resources available to perform the work;
- Have all licenses and permits required by local law;
- Meet all local insurance requirements;
- Have the ability to obtain a performance and guarantee bond and a payment bond, or to post adequate performance security, such as irrevocable letters of credit or guarantees issued by a reputable financial institution;
- Have no adverse criminal record;
- Have no political or business affiliation which could be considered contrary to the interests of the United States;
- Have good experience and past performance records; and,
- Identify specialized experience and technical competence required to complete the construction work in accordance with this solicitation.

If a firm is interested in competing for this requirement, please provide a written request by email for a copy of the solicitation documents. Interested companies shall email BoonAC@state.gov (Tel:673-2384616 ext 2123).
