# Dear attendee,

It is with great pleasure that we welcome you to the USA Pavilion at Food ingredients Europe & Natural ingredients 2015.

In the USA Pavilion you will find a wide range of high quality food and ingredient products and see innovative and sustainable food ingredients solutions being offered by U.S. companies.

As the meeting place for the entire food and beverage industry, this year's show promises to deliver an unrivalled line up of 1,400-plus world-class exhibitors, 27,000-plus food and beverage professionals, high-level educational programs and valuable networking opportunities.

Over the next three days, you will have a chance to meet our top-quality ingredient suppliers and business service providers here to showcase their products and services. With 85-plus free learning and networking opportunities and the chance to join the leading Food ingredients Europe Conference, we promise you Fi Europe is the place to help transform your food and beverage range, find business partners or source innovative ideas to launch new products. It is an opportunity for everyone in the industry to connect, discuss and determine the future of the food and beverage industry.

**Here are just some of the highlights of this year's show:**

## High-level insight – Join the Food ingredients Europe Conference 2015

Hear from 100-plus leading experts from companies such as Nestlé Research Center, FrieslandCampina, Ingredion, Gelita, Innova, FoodDrink Europe, Mintel, Ketchum, Britvic and many more who will ensure you get the latest insights during our 3-day modular conference. They will discuss the latest trends in natural colour and colouring foods, dairy innovation, category innovation, functional foods, health and wellness trends and the global ingredients industry. Please remember you can attend just one conference module for as little as €399 – simply book a conference module at the main registration area located at the front of Hall 6.

Or ladies, simply sign up to join the Women's Insights and Networking Breakfast on Wednesday 2nd December (8.30 – 10.30) and be inspired by the industry's most prominent women thought leaders – a great opportunity to build your network and share ideas.

## Visit our specialised pavilions

This year we are offering you a whole range of specialised pavilions including Made by Nature Pavilion, New Business, Organic, Club PAI, SIPPO – The Swiss Import Promotion Program, CBI – Centre for the Promotion of Imports from developing countries, MOMAF – Ministry of Maritime Affairs and Fisheries, Indonesia and Natural Ingredients and launching the new Expo FoodTec Theatre showcasing those leading suppliers with solutions in processing, packaging, equipment and associated services - plus in addition 12 specialised country pavilions located across the show!

## Join over 85-plus free presentations on the showfloor across the 3 days!

Hear about the latest trends and innovations impacting the industry and find out what our key exhibitors are offering at the Industry Insight Theatre, Expo FoodTec Theatre and Global Seminar Theatre. We also provide you with the opportunity to take one of the free Innovation Tours or Discovery Tours.

## Want to be inspired by innovation? Don't miss these show highlights!

### New Product Zone

Produced in association with Innova Market Insights, The New Product Zone will showcase over 30 new products and packaging displays, highlighting recent launches from exhibitors at the forefront of innovation in the industry.

### Innovation Tours

Industry experts NutriMarketing have produced and will conduct 10 guided tours around the show floor. The Innovation Tours will highlight how ingredient suppliers are responding to market trends through innovation and R&D technologies. All tours will start at the New Product Zone and are free for you to join, but with strictly limited places.

### Ingredients in Action

Ingredients in Action produced by Innova Market Insights – is an ingredients application tasting bar. Use all 5 senses to explore how the latest ingredients are being applied to finished food products, while learning about current trends driving new product development.

### Innovation Awards

The Fi Innovation Awards 2015 celebrates the very best innovations, companies and professionals in the ingredients community. The award ceremony will take place on Tuesday evening in the Galleria of Hall 6. Nominated products are showcased in the Innovation Awards showcase. Those who have demonstrated exemplary work throughout the year and contributed to the ingredients world as a whole will be recognised.

Before you get to enjoy all of the above opportunities, we would like to extend a big thank you to all of our stakeholders for their contribution to Fi Europe and the industry. We invite you to keep an eye on the other Food and Health ingredients events around the world in locations such as Shanghai, Delhi, São Paulo, Moscow, Tokyo, Jakarta, Frankfurt and Istanbul.

May we take this opportunity to wish you all a successful, profitable and enjoyable week in Paris and we look forward to welcoming you again to Fi Europe & Ni 2017 in Frankfurt!

Best Regards,

**Richard Joyce**  
Brand Director

**Natasha Berrow**  
Group Director – Food ingredients Global

**P.S.** If you are looking for ingredients or suppliers before, during or after the show, Ingredients Network is the official sourcing tool for Fi Global events. Visit [www.ingredientsnetwork.com](http://www.ingredientsnetwork.com) today to find out more!

Concentrated cheese, natural cheese flavours and enzyme modified cheese (EMC). The new natural cheese concentrates which Jeneil offers are different from the common understanding of flavours. They are made from high quality dairy materials. Due to this, they have an authentic cheese flavour. The flavour impact is many times stronger than in natural cheese. With relatively small dosages, a well balanced and intensive cheese flavour can be achieved in different food applications.
