WELCOME

Welcome to the USA Pavilions at Anuga 2015 featuring a wide range of food products from across the United States. American food products are widely known for being innovative, relevant, of high quality and reasonably priced.

Over **165 U.S. companies** will participate in seven USA Pavilions **occupying more space than ever**. U.S. Pavilions are located in Fine Foods (Hall 10.2), Meat & Poultry (Hall 9), Bread, Bakery & Hot Beverages (Hall 2.2), Dairy (Hall 10.1), Drinks (Hall 8), Frozen Food (Hall 4.2) and Organic (Hall 5.1).

Among the exhibitors will be **61** first time companies with many new and exciting products that are waiting to be introduced to retailers near you.

Take some time to explore and savor many excellent products from the United States, the world's leading producer and exporter of food and agricultural products.

And don't forget to take a moment and review the latest product launches featured at the "New Product Showcase USA" presented by the U.S. Department of Agriculture (USDA) in hall 10.2 , booth H-54a.

Thank you for visiting the USA Pavilions and enjoy your days in beautiful Cologne!

WELCOME TO THE USA PAVILIONS

WELCOME

MESSAGE FROM THE SECRETARY OF AGRICULTURE

United States Department of Agriculture

Office of the Secretary
Washington, D.C. 20250

It is a great pleasure to welcome you to the USA Pavilion at Anuga 2015.

This event, supported by the U.S. Department of Agriculture, is your entree into the dynamic American retail and foodservice market. As you walk the aisles of the show, you will have the opportunity to see and sample those wonderful U.S. products that are familiar to you and learn about innovative new food and beverage products. With more than 165 exhibiting companies, the USA Pavilion is full of products that showcase the cultural and regional diversity of our country.

We trust this show will provide you with new and exciting business opportunities. Best wishes for a productive and enjoyable event.

Sincerely,

Thomas J. Vilsack

Secretary
United States
Department of Agriculture

WELCOME

MESSAGE FROM THE U.S. OFFICE OF AGRICULTURAL AFFAIRS IN GERMANY

Dear ANUGA Visitor,

Willkommen in Deutschland! It is my great pleasure to welcome you to the seven USA Pavilions at ANUGA 2015:

- Bread, Bakery & Hot Beverages (Hall 2.2)
- Dairy (Hall (10.1)
- Drinks (Hall 8)
- Fine Foods (Hall 10.2)
- Frozen Foods (Hall 4.2)
- Meat & Poultry (Hall 9)
- Organic (Hall 5.1)

This year at Anuga, USDA's Foreign Agricultural Service is presenting several services:

- Trade Lead Service—assistance for buyers seeking specific U.S. food products
- New Product Showcase—featuring new-to-market U.S. products with high international potential
- Educational materials for you and your customers on sustainable U.S. agricultural production

For reports and marketing activities, please see: usda-mideurope.com.

During the show, please do visit us at Hall 10.2, Booth Nr. H 54A.

Sincerely,

Kelly Stange

Agricultural Counselor
Embassy of the United States
Berlin, Germany

MADE / PRODUCED BY AMERICAN INDIANS

American Indian Food Products

Look for our "Made/Produced by American Indians" trademark to ensure an authentic product from Native America's rich history. IAC developed this mark of authenticity to designate true American Indian produced products from imitations. It is a unique symbol of the culture, tradition and pride that American Indian products represent.

Wild rice, buffalo meat, smoked beef strips, seasonings, hominy, seafood, popcorn, beans, fry bread, and many other products are available.

 Fourth generation, family owned company. Established in 1910. We manufacture award winning Cream Nut Natural Peanut Butter and Sweet Ella's Organic Peanut Butter. We have produced peanut butter since 1925. This is vintage product, manufactured on vintage machinery. Select peanuts are roasted to a rich dark color, then coarse ground to perfection. We add nothing more than a pinch of sea salt.

 Luke's Organic was inspired by a family member with celiac and multiple food allergies to create products that actually taste good. We had such a great response from friends (with and without food allergies or restrictive diets), that we started making more; a LOT more. Our Mission is to create great tasting snacks that are gluten free, organic, nonGMO and free of the most common allergens.

SUPPLY + DEMAND = OPPORTUNITY

Beautiful, tasty highbush blueberries come in a variety of formats to meet industry needs: fresh, frozen, dried, liquid, canned, preserved. With consumer demand, blueberry popularity thrives. USHBC's health research database is found at www.blueberrytech.org. The US Highbush Blueberry Council represents commercial growers in 30 States. Our growers thank you.

Hall 10.2 G 56

Wild Planet Foods produces a line of sustainably sourced tinned tuna, salmon and sardines. Wild Planet employs a unique process to pack freshly defrosted tuna, instead of using pre cooked tuna. The pure tuna is packed without any water, oil or other fillers. The result is a pristine eating experience. Wild Planet tuna products are unlike any other conventionally produced tuna in the market.
