

Request for Proposals

Construction Quality Assurance Services

The US Embassy in Phnom Penh hereby invites interested and legally eligible engineering, design and construction companies who can provide construction quality assurance services (QA) in Cambodia to propose for services to QA forthcoming and future construction projects. Please note that future projects will be awarded subject to availability of funds.

Tender documents for this proposal will be provided electronically via email.

Please contact Mr. Darnyell Parker at

DARNYELL.C.PARKER@usace.army.mil

and Justin De Armond at

JUSTIN.L.DEARMOND@usace.army.mil

for bidding procedures and information related to the Request for Proposal. Bidders are responsible for all costs and fees associated with preparation of bids to include costs incurred for any site visits. All proposals must be received no later than 2:00pm, Monday, 30 April 2012 (GMT -09:00).
