

EMBASSY OF THE UNITED STATES OF AMERICA

Fuel Supply for the U.S. Embassy Phnom Penh

The U.S. Embassy Phnom Penh invites all interested vendors to participate in the acquisition for “Supply of Diesel and Gasoline for U.S. Embassy-Phnom Penh”. The contract period will be for one year, and the estimated requirement of diesel per year is 135,000 liters and 145,000 liters of (super and regular) gasoline.

Vendors wishing to compete for this contract can review the solicitation document including detailed requirements downloadable via: http://cambodia.usembassy.gov/business_opportunities.html.

The solicitation is not ready at this time but will be available for download in the late May 2015 timeframe via the above link, with solicitation reference SCB60015Q0009.

Please see the solicitation SCB60015Q0009 for the actual quotation due date to include time. No paper copies will be mailed.

As required by U.S. Government’s federal acquisition regulation (FAR), the proposed awardee shall be registered in the System for Award Management (SAM) database prior to award of a contract. Below is the website link providing vendor registration information: <https://www.sam.gov/portal/SAM/#1>

Interested vendors are encouraged to register in SAM prior to the submission of their quotations, and which will require a DUNS number and NCAGE code prior to starting the SAM registration process.
