ELIGIBILITY

Eligible Applicants: Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education
Private institutions of higher education
Small businesses
Public and State controlled institutions of higher education
For profit organizations other than small businesses
Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education

Additional Information on Eligibility: In response to this public health emergency, CDC is requesting that competition be limited to partners, including nongovernmental organizations, faith-based organizations, community based organizations, for-profit entities and universities who have (1) an established partner network for all Ebola affected, GHSA Phase I and Ebola high-risk countries and (2) have an existing in-country presence or an established track record of working in the region and a demonstrated ability to quickly establish a presence in similar emergency situations.

ADDITIONAL INFORMATION

Agency Name: Centers for Disease Control and Prevention

Description: This Funding Opportunity Announcement (FOA) supports the implementation of programs and activities that focus on protecting and improving health globally through regional, national, and local partnerships. Its purpose is to support immediate response efforts for the current Ebola outbreak, other infectious disease outbreaks or health threats, and Public Health Emergencies of International Concern (PHEICs). It is intended to build capacities to prevent, detect, respond, and control infectious disease outbreaks, PHEICs, and other health threats.
