D'Youville College

“Over the last 100 years, D’Youville College has welcomed students from over 50 countries throughout Asia, Africa, Europe, the Middle East and South America. We value the diversity of cultures and perspectives that international students bring to our campus. And in return, our international students benefit from the expert instruction, small class sizes and personal attention a small college can provide,” [states D’Youville International Student Office](#). [See the College’s Introduction Video](#).

[D’Youville College](#) offers an American educational experience and curriculum that is focused towards learning in a smaller classroom size setting and exposure to a diverse set of disciplines – the college has 3,204 students, including over 400 Canadian students. With a student to faculty ratio of 13 to 1 along with 45 available degree programs, D’Youville College gives you personalized attention in addition to options in your coursework.
