Subject: RFP No. SCA52513Q0251
Parking Garage Ramp Snow Melting System and Lighting Replacement, Ottawa

U.S. Embassy
490 Sussex Drive
Ottawa, ON, K1N 1G8

The following question was received by the Contracting Officer in writing on August 20, 2013:

- Are the types of materials specified in Attachment 3 of the RFQ No. SCA52513Q0251 considered being mandatory or the offerors can make substitutions?

Answer: Substitutions of the items listed in Attachment 3 of the subject RFQ will not be accepted. Substitutions of industry discontinued items will be evaluated and approved by the Contracting Officer Representative on a case by case basis.

Sincerely,
