

SELECTUSA

Your Partner for Expanding in the United States

How can we help you?

SelectUSA is the **single point of contact** at the national level for companies looking to start or grow their business in the United States.

We work **one-on-one** with investors to offer tools, data, and other information; identify relevant federal programs; demystify federal rules and regulations; and link businesses with partners and resources.

Services for companies

Get the information you need to make decisions.

Our investment specialists provide the credible, unbiased, detailed data and analytics you need to make critical decisions about your investment.

Connect to the right people at the local level.

SelectUSA makes direct introductions and hosts world-class events, ensuring you meet the people who can help you move your investment forward.

Find your way in the federal regulatory system.

The U.S. system is recognized for its ease of doing business. We work with companies to find answers and solve issues with federal regulations or programs.

All services are free of charge and all are treated as business confidential.

U.S. Department of Commerce | International Trade Administration

What is SelectUSA?

SelectUSA is the U.S. government program to promote, facilitate, and encourage business investment in the United States.

SELECTUSA

Your Partner for Investing in the United States

Top destination for business investment

Success in the U.S. market can help drive success globally. Our nation is incredibly diverse, with the world's most attractive consumer market, a thriving culture of innovation, and a highly productive workforce.

In the United States, companies of all sizes—from start-ups to multinationals—can find the ideas, resources, and market they need to be competitive.

Why invest in the United States?

World's most attractive consumer market

\$17 trillion annual GDP
•
320 million people

Competitive **export platform**

Free trade agreements with 20 nations
•
Fastest export procedures

Transparent, fair, and stable **business environment**

Robust economic resurgence

Voted #1 in A.T. Kearney's 2015 FDI Confidence Index

Strong intellectual property protections

Global leader in research & development (R&D)

Home to **more than 31%** of total world R&D expenditures

Innovative partnerships with top research institutions

Highly educated and productive workforce

Diverse, abundant **natural resources**

Low-cost, stable energy supply
