

Supporting Documentation Checklist for Dependent Applications:

If you are applying as a dependent (spouse or child under age 21) of a current E-visa holder, upon booking your appointment online, you should bring the following documentation to the appointment on the scheduled day:

- Confirmation of appointment
- DS-160 confirmation page for all dependents
- Original civil documents establishing relationship to principal applicant
- One 2x2 passport-style photograph for each applicant (if needed)
- A photocopy of the principal applicant's E-visa
- A letter from the principal applicant requesting the issuance of a visa to you
- If the principal applicant owns the business: proof that the principal applicant's business remains in operation
- If the principal applicant is an employee of an E-visa company: a letter verifying his/her continued employment
- Reciprocity fee for each applicant, if applicable

Note: This is a simplified checklist. Please refer to the "Supporting Documentation for Dependents" webpage for full descriptions of the above documents. The interviewing Consular Officer may request additional documents as needed.
