TSA Pre✓™ Factsheet

About TSA Pre✓™

TSA Pre✓™ is an expedited screening program that makes passenger risk assessments prior to their arrival at an airport checkpoint. TSA Pre✓™ enhances aviation security and provides a better travel experience. The program has expanded to more than 100 airports across the country and millions of passengers have enjoyed the benefits of this program since its inception.

TSA Pre✓™ is a component of TSA's intelligence-driven, risk-based security approach used to provide the most effective security in the most efficient way.

Who is Eligible?

Passengers eligible for TSA Pre✓™ include the following:

- U.S. citizens and lawful permanent residents enrolled in TSA Pre✓™.
- U.S. citizens who are frequent fliers and opt-in via invitation from participating airlines.
- U.S. citizens who are members of existing Customs and Border Protection Trusted Traveler programs, including Global Entry, NEXUS and SENTRI.
- Canadian citizens who are members of NEXUS.
- U.S. Armed Forces service members, including those serving in the U.S. Coast Guard, Reserves and National Guard.
- Defense Department and Coast Guard civilian employees.
- Passengers 12 and younger who are traveling with an eligible passenger.
- Passengers who are selected using existing Secure Flight system requirements while traveling on participating airlines.

These eligible passengers flying both domestically and outbound internationally from participating airports, as well as passengers with connecting domestic flights who arrive in the United States on an international flight, may use the TSA Pre✓™ lanes when going through the screening process.

Although these passengers are eligible for TSA Pre✓™ benefits, TSA incorporates random and unpredictable security measures throughout the airport and no individual will be guaranteed expedited screening.

TSA Pre✓™ Application Program

U.S. citizens and lawful permanent residents can apply for TSA Pre✓™ expedited screening benefits for a fee of $85 dollars, which is valid for five years. Those enrolled in TSA Pre✓™ receive expedited screening benefits on a more consistent basis. Visit tsa.gov to learn more about how to enroll.

Screening Benefits

TSA Pre✓™ benefits include a faster and easier travel experience by no longer having to remove:

- Shoes
- 3-1-1 compliant bag
- Laptop from bag
- Light outerwear/jacket
- Belt

How It Works

Participating airlines will print TSA Pre✓™ indicators directly on passenger boarding passes. Eligible passengers should look for these indicators and TSA Pre✓™ signs at participating airports to locate the designated lanes and enjoy expedited screening benefits.

Participating Airlines

- Air Canada
- Alaska Airlines
- American Airlines
- Delta Air Lines
- Hawaiian Airlines
- JetBlue Airways
- Southwest Airlines
- United Airlines
- US Airways
- Virgin America

TSA Pre✓ Participating Airports

Alabama
Birmingham-Shuttlesworth International Airport (BHM)
Huntsville International Airport (HSV)

Alaska
Fairbanks International Airport (FAI)
Ted Stevens Anchorage International Airport (ANC)

Arizona
Phoenix Sky Harbor International Airport (PHX)
Tucson International Airport (TUS)

Arkansas
Bill and Hillary Clinton National Airport (LIT)

California
Bob Hope Airport (BUR)
Fresno Yosemite International Airport (FAT)
John Wayne Airport (SNA)
Long Beach Airport (LGB)
Los Angeles International Airport (LAX)
Oakland International Airport (OAK)
Ontario International Airport (ONT)
Palm Springs International Airport (PSP)
Sacramento International Airport (SMF)
San Diego International Airport (SAN)
San Francisco International Airport (SFO)
San Jose International Airport (SJC)
Santa Barbara Municipal Airport (SBA)

Colorado
Aspen/Pitkin County Airport (ASE)
Colorado Springs Airport (COS)
Denver International Airport (DEN)
Montrose Regional Airport (MTJ)

Connecticut
Bradley International Airport (BDL)

Florida
Fort Lauderdale-Hollywood International Airport (FLL)
Jacksonville International Airport (JAX)
Miami International Airport (MIA)
Orlando International Airport (MCO)
Palm Beach International Airport (PBI)
Pensacola International Airport (PNS)
Sarasota-Bradenton International Airport (SRQ)
Southwest Florida International Airport (RSW)
Tampa International Airport (TPA)

Georgia
Hartsfield-Jackson Atlanta International Airport (ATL)
Savannah/Hilton Head International Airport (SAV)

Guam
Antonio B. Won Pat International Airport (GUM)

Hawaii
Hilo International Airport (ITO)
Honolulu International Airport (HNL)
Kahului Airport (OGG)
Kona International Airport (KOA)
Lihue Airport (LIH)

Idaho
Boise Airport (BOI)

Illinois
Chicago Midway International Airport (MDW)
