## **Travel Reminder-Be a “Ready Traveler”**

*Veterans Day/Remembrance Day*

**PEMBINA, N.D.** - U.S. Customs and Border Protection (CBP) Office of Field Operations (OFO), is reminding travelers planning trips across the border into Minnesota or North Dakota to anticipate heavy traffic during the observance of Remembrance Day in Canada and Veterans Day in the United States. Originally dedicated as Armistice Day to commemorate the ending of the First World War it is now observed in honor of the sacrifices of all members of the armed forces in times of war.

Border traffic volumes are expected to significantly increase during the weekend of November 7 through November 11. All travelers are reminded of a few simple steps they can employ to cross the border more efficiently.

### **1. Check out the new [CBP informational website](#)**

The CBP site has been completely redesigned to help users quickly access the content they need. It also is optimized for access by smart phones and makes use of a new content delivery network that will improve access internationally.

### **2. Beat the border rush**

Cross during off-peak times, such as before 6 a.m. or after 3 p.m. Most lines at the border start building in the morning and carry on into early afternoon.

Monitor [wait times](#) for the ports of International Falls, Minnesota, and Pembina, North Dakota, here. Information is updated hourly and is useful in planning trips and identifying periods of light use/short waits.

### **3. Keep travel documents handy**

Make sure each passenger has the correct travel document accessible and ready to give to the CBP officer.

If you are a frequent international traveler and have not already become a member of a trusted traveler program, sign up now. For more information, please visit CBP's [Trusted Traveler](#) site.

### **4. Know the contents of your vehicles and be prepared to declare all items**

Travelers are required to declare all items being imported into the United States from Canada. If you are not sure about what to declare, do not hesitate to ask the CBP officer.

### **5. Know what food products can be imported**

Many fruits, meats, dairy, and poultry products are prohibited from being imported into the United States from Canada.

For more information, view [Prohibited and Restricted Items](#).

### **6. Declare all firearms**

Travelers are reminded that specific requirements must be met to import or export firearms and ammunition to/from the United States. For more information on the importation or exportation of firearms and ammunition visit [ATF](#), [State Dept.](#), and [Commerce Dept.](#) websites or contact CBP at 701-825-5800.

Our dual mission is to facilitate travel in the United States while we secure our borders, our people and our visitors from those that would do us harm like terrorists and terrorist weapons, criminals and contraband.
