我爱中华: 签证官您好, 我想问一下我所准备的材料是在签证官要的时候给他呢还是在谈话中涉及到此类问题主动递交?

您的基本材料在面谈前已经递交到相应窗口, 当面谈时如签证官员需要您额外的材料到时您可以再递交给签证官员。

我爱中华: 签证官您好, 我是签 F1, 如果我没有听懂签证官问的英文, 是否可以要求签证官用中文提问呢?

可以, 但请尽量按照签证官员使用的语言回答问题。

我爱中华: 签证官您好, 我去签 F1 签证, 我本应 9 月份在开学的新学期报到, 但是 8 月份遭拒签。现在又重新办理了一份 I-20, 上面写着 11 月份报到, 现在去签证会因时间问题而拒签吗?

不会因您申请到一份新的 I-20 上面新的时间而被拒签。

Maggie: 您好! 不知可不可以拿新旧两个 I-20 入境? 我是用学校 I-20 签证通过后, 因护照发给我时已经错过学校入学日期, 学校取消旧 I-20, 现在发给我一个新的, 不知可不可以拿新旧两个 I-20 入境?

您最好让您所在的大学给您出具一份您“晚入学的原因/证明”, 以便协助您入境。主要携带您新的 I-20 表格。

我爱中华: 签证官您好, 我去美国读高中, 但是只能提供 50 多万 RMB 的银行存款, 我看网上写着读高中要准备 100 多万 RMB 的银行存款, 请问是否会被拒签呢?

美国使馆签证处对赴美的申请人在金额准备上没有具体的要求。请注意 – 但是您必须使签证官员信服您可以承担目前一切在赴美期间生活/学习的费用, 同时有能力支付未来的费用。

stanley: 签证官您好! 我是去年 9 月 27 日从洛杉矶回国的, 登机的时候忘记返还 I-94 卡, 会不会造成不良记录呢

请查看美国海关网站 - <http://cbp.gov/> 了解更多信息。

today: 另外想帮朋友问下, 对曾经持 J1 入境 (目前已回国, 但现在仍在两年期限内), 她的先生 (现在在美国境内) 可以带着她一起申请绿卡吗? 她想知道申请 I-140 时, 她是否不用在美国境内? 而申请 I-485 时, 可否在国内打指模? 申请绿卡生效的时间只要过了两年期限就行呢? 谢谢了!

她要满两年方可申请绿卡。有关移民类申请都由美国驻广州总领馆受理。有关绿卡的问题, 请咨询广州领事馆。

michaelchensh: 签证官您好:我持有 B1/B2 的签证, 我下个月去美国参加一个会议, 然后打算顺便去美国旅游一下, 这样可以吗? 我一共去 20 天左右。在我入境美国的时候, 我要跟移民官怎么说我访问美国的目的呢? 是回答 BUSINESS AND TRAVEL 吗? 谢谢您?

可以。

按照你问题的叙述来看, 开会顺便旅游, 那就实事求是回答。

czg_Shanghai: . 现在我打算要申请与上次同样的 B2 签证, 准备明年赴美探亲。不知在填写 DS-160 表时关于“以前签证是否被取消过”项是勾选 NO 还是 YES (它没有可填写说明的空间)? 因为事实上我签证有效期内确实没有被取消过, 到塞班岛旅游时它其实是过期而且不需要用的, 但被写上了 CWOP. 我不是很理解 CWOP 的含义, 我不知道如实际应该怎么填写, 请指点, 谢谢!

这是取消的一种, 因此填写申请表时, 回答“以前签证是否被取消过”时, 您应该选择 YES。

bj: 签证官您好, 请问我去美国读高中, 让美国朋友找的学校, 我需要很了解它吗? 比如签证官问一些学校主任或校长是谁等问题我不知道, 会拒签吗?

建议对学校有一定了解。

tanghu: 您好, 我有几个问题一直困惑着我。1.我小孩子于去年 7 月签 F1 证到美国留学, 签证于今年 7 月到期, 今年暑假因事没有回国, 请问, 我女儿持失效的签证在美国是否需要办理什么手续, 会影响到她下次回国出入境和签证吗? 2.护照更换时可以凭旧护照签证吗? 3.小孩续签时 (学校和专业都没变) 需要银行资金证明吗?

1: 如果人在美国境内, 签证已过期, 不影响继续在美国停留;

2: 更换护照时, 如果旧护照里面的美国签证仍然有效, 而且完好无损, 持新旧两本护照赴美即可;

3: 需要提供的材料, 请参考使馆网站 http://chinese.usembassy-china.org.cn/niv_student.html

sissi: 我想获得美国的医疗帮助, 可又不知道由哪里开始进行..护照已经有了。

首先您需要预约一个面谈时间, 如果时间太晚, 可以将医疗加急面谈申请及相关医疗材料发传真至 **8531 3399**。

today: 请问持 B1 签证进入美国境内后, 可以同持 H1B 签证的人结婚吗? 这会影响我下次的入境签证吗? 谢谢!

此问题不属于非移民签证问题, 在此不做回答。谢谢!

czg_Shanghai: Dear Officer: I visited the United States 6 times with B1/B2 visa and I always came back to China before the U.S. Immigration- Department-allowed deadline. All my visa applications for the 6 visits were approved smoothly in one shot, and all of my visas have never been cancelled. My last visa was issued Jun. 17, 2010 with the expiration date of Jun. 14, 2011. In the summer this year, July, 21 ~ July, 25, I joined a sightseeing tour to US' s Saipan Island on Pacific Ocean organized by CITS(China International Travel Service). It has been the fact already for many years that U.S. Government allows visa free for China citizen to enter Saipan Island for short term tour. So the visit of all our tour members including me is visa free this time. But when I went through the entry gate producing my passport, the officer hand-wrote CWOP on my expired visa page which in fact has nothing to do with this Saipan visit. Now I'm going to apply for a new B2 visa, same type as the last one, planning for visit my da

czg_Shanghai: But when I went through the entry gate producing my passport, the officer hand-wrote CWOP on my expired visa page which in fact has nothing to do with this Saipan visit. Now I'm going to apply for a new B2 visa, same type as the last one, planning for visit my daughter in U.S. next year. I don't know how to select YES or NO to the question "Has your U.S. Visa ever been cancelled or revoked?" on DS-160 form. The fact is my visas have never been cancelled, my last visa had been expired already when I went to Saipan Island with no need of a visa(visa free), but now there is a hand-written CWOP on the expired visa page in my passport. I don't fully understand the meaning of CWOP. Because there is no field could be used to write explanation but only YES or NO selection box for the question on DS-160 form, would you please give me your advice? Thank you!

CWOP, sometimes found on a US Visa, stands for “canceled without prejudice”. You do not need to claim this occurrence on your DS-160. This is used to signify that a valid visa is expired, often due to the issuance of a newer US visa.

Lotus: Dear Sir, I would like to ask whether all J-1 Work and Travel students need to pay tax during their stay in US? What should I do if my employer pay me by cash? Will it leave bad record on my credit in the future?

Lotus, yes you need to pay taxes while in the US. If you're employer wants to pay you in cash, your employer could possibly be conducting illegal working activities. For additional information on US tax code, please see the IRS (<http://www.irs.gov/businesses/small/international/article/0,,id=131635,00.html>). You may also research the Wilberforce Act.

sally: Dear sir, I have been working in Tianjin for more than one year, but the issue place of my passport is Zhejiang and my hometown is also in Zhejiang. My Hukou (residential information) is also registered in Zhejiang. Would you please tell me where should i apply my visa, Beijing or Shanghai? Thanks a lot!

We recommend that you apply to interview based on where you live. If the wait time is shorter in another district, you are free to make your appointment time there.

See you soon in Beijing. You can tell the officer then that you live and work in Tianjin.

samsung: hi, I got one invitation letter from US, My visit data is from 30th,OCT to 24th,Nov. I haven't submitted anything about visa; can I get one visa before 30th, OCT? Any urgent process about it? Thanks

You should always schedule your appointment early. Last week, our wait times were down to 3 days, but you must give 1 day to 5 weeks for processing time after the interview.

To get the latest wait times, call our call center.

折文明: I've got the visa approval but lost it just before my trip. What should I do?

If you lost your visa and passport, you will need to interview again. It is not guaranteed that you will get a replacement.

susan_tianjin: Dear Visa Officer, my parents applied for their G4 visas on August 30th. but still haven't received their passports and visas. I wanted to check if your office has received the requested information from the World Bank HR or if additional information is required. I understand if the answer can't be posted in this public forum as it is not a general question but would greatly appreciate if you can reply my email that I sent a moment ago. Thank you very much.

Susan Tianjin, I believe that your inquiry was addressed in the last webchat. We will ensure that your email was received and respond to you via email. Also, our call center would be happy to assist you.

boxiao: Hi Dear officer, I am 3rd year PhD student in LA, got F-1 VISA originally cleared after "check" in 2009, and renewed in Dec. 2010. Now I am going home in the winter break, hence need VISA-renew in Beijing in the coming Dec. I think I am qualified for drop-off renew, which is also mandatory. However, I heard from some friends that CITIC bank only accepts certain kinds of application materials in agreement with the embassy, excluding resume, study plan, adviser info, etc., which sounds to us are known to be necessary for returning student with a "check" history. In the worst case, the embassy might have to contact the applicant back again for these materials. So I want to confirm is it true that the bank is strictly not accepting those materials, or one need to mention specifically that the materials are highly likely needed? My hope is to avoid being asked back by the embassy for supplemental documents which delays the whole process and affects travel schedule. Thanks a lot!

You need to include the required documents. In your case, you should include your C.V. and transcripts.
