The following have been modified:

52.212-1 ADDENDUM

1. Paragraph (b) Submission of offers is changed to add the following:

**QUOTATION PREPARATION AND INSTRUCTIONS.** The Government intends to award a Firm-Fixed Price (FFP) contract for services identified within this solicitation. These instructions prescribe the format for the quotation and describe the approach for the development and presentation of offerors information. These instructions are designed to ensure the submission of necessary information for the understanding and evaluation of the quotation. Offerors are encouraged to present their best technical approach price quotes in their initial quote submission. The Government intends to make an award without discussions, but maintains the right to hold discussions if it so determines.

**FORMAT AND CONTENTS.** The offer shall be submitted in the formats set forth below and all information shall be confined to the appropriate part to facilitate independent evaluation. Offers which do not include the requested minimum information may be eliminated from further consideration at the Government's discretion. The response shall consist of three (2) separate sections: Section I – Price, Section II – Technical Capability. The offeror shall divide its offer into the noted sections to facilitate review by the Government. Clarity and completeness are essential. Data not submitted with the offer, but submitted previously, or presumed to be known (i.e., previous projects performed for the Government) cannot be considered as part of the quotation.

**Section I – Price Information and Required Documents.** Offerors shall submit all price information necessary to provide a meaningful basis for the Government's price analysis and for the items set forth in this solicitation. The Offeror shall provide its response with a cover sheet that contains the company's name, address and telephone number.

**Section II – Technical Capability.** The Technical Capability shall describe how the offeror plans to provide the requirements. No pricing shall be included in the offerors Technical Capability.

**ELECTRONIC OFFERS REQUIRED.** Offers must be submitted electronically to [pardoaj@tcsc.southcom.mil](mailto:pardoaj@tcsc.southcom.mil)

Offers submitted electronically, must be submitted via electronic media using any of the following electronic formats:

- (1) Files readable using Microsoft Office Products: Word, Excel, Power Point, or Access.
  - (2) Files in Adobe PDF (Portable Document Format).
  - (3) No files may be submitted in compressed form using WinZip, or other self-extracting files.
  - (4) The offer should be accompanied by an electronic cover letter (letter of transmittal) which will be the body of the e-mail response to this solicitation, to identify all enclosures being transmitted in the message.
2. Paragraph (c) Period for acceptance of offers is changed to read as follows:

The offeror agrees to hold the prices in its offer firm for 60 calendar days from the date specified for receipt of offers.

52.212-2 ADDENDUM

**52.212-2, Evaluation -- Commercial Items (Addendum)**

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer, conforming to the solicitation, represents the Lowest Price Technically Acceptable (LPTA). The following factors shall be used to evaluate offers on an acceptable/unacceptable basis:

Technical Capability  
Price

Technical Capability: Offer must clearly reflect the offeror's understanding of the scope of work and fully respond to the minimum requirements specified in FAR 52.212-1, Instructions to Offerors, and its addendum. Offerors who simply restate the PWS requirements, or fail to submit the minimum information specified in the Instructions, may result in the offer being rejected as non-compliant with the requirement for submission or required information.

Price: The Price factor will be assessed upon total evaluated price, to include an assessment of price reasonableness to the U.S. Government. Price offers will be reviewed for reasonableness to determine whether they reflect an understanding of the requirements or contain apparent mistakes. Award will be made to the offeror who submits a technically acceptable offer at the lowest price.

**Point of Contact:**

The Contracting Office point of contact is:

Astrid Pardo, [pardoaj@tcsc.southcom.mil](mailto:pardoaj@tcsc.southcom.mil); phone 011-571-275-2386

Domestic Contractors must be registered in the Central Contractor Registration (CCR) data base before an award can be made to them. If the Contractor is not registered in the CCR, it may do so through the CCR website at <http://www.ccr.gov>.

**\*All quotes must be received by 12<sup>th</sup>. March 2012 10:00 am CST on official company letterhead.**
