SUMMARY OF CHANGES

SECTION 00100 - BIDDING SCHEDULE/INSTRUCTIONS TO BIDDERS

The following have been modified:

INSTRUCTIONS TO OFFERORS

1. **GENERAL.** This procurement will be awarded as a Lowest Priced, Technically Acceptable (LPTA) contract, considering past performance. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all responses if such actions are in the public interest and/or waive informalities and minor irregularities in the submitted offers. The Government reserves the right to cancel this Request for Proposal (RFP) and make no award. By submitting a proposal in response to this RFP, the Contractor understands that the Government will not be liable for any costs incurred by the Contractor in preparing that response.

2. **PROPOSAL DELIVERY:** All responses shall be in English (or include an English translation), legible and prepared in the following general format to be properly evaluated. Responses must be complete, self-sufficient, and respond directly to the requirements of this RFP.

a. Electronic Submission. The Offeror shall provide a copy on their proposal as an electronic file. The proposal shall be written using Microsoft Office, Adobe PDF, and AutoCad software. The proposal shall be e-mailed to the Contracting Specialist Michael Haydo at Michael.haydo@tcsc.southcom.mil **before 10:00 AM local Colombia Time 9 August 2013. If the file is too large to send by email, contact the Contracting Specialist to deliver for physical acceptance prior to the contract close date / time.**

b. Solicitation Questions. Questions regarding this solicitation shall be submitted in writing to the Contracting Specialist by email at Michael.haydo@tcsc.southcom.mil. The Government will answer all questions provided if those questions are received **by 9:00 AM local Colombia time on 31 July 2013.** The Government reserves the right not to respond to any questions concerning this solicitation that are received after the question receipt date and time above. Accordingly, Offeror's are encouraged to carefully review all solicitation requirements and submit questions to the Government early in the proposal cycle.

c. Amendments prior to date set for receipt of proposals. The right is reserved, as the interest of the Government may require, to revise or amend, the specifications or drawings or both prior to and/or after the date set for receipt of proposals as necessary. Such amendments, if any, will be announced by an amendment or amendments to this RFP.

d. Exceptions. If the Offeror takes exception to any of the requirements specified in this solicitation, the Offeror shall clearly identify each such exception and include a complete explanation of why the exception was taken and what benefit accrues to the Government. All exceptions to the solicitation requirements (Sections 00010 through 00800) and supporting rationale shall be included as an addendum to the proposal and clearly labeled "Exceptions". An addendum is only required if the Offeror takes exception to any requirement in the solicitation. The Addendum does not have a page limitation, but shall only include information relevant to exceptions taken to the solicitation requirements. The Government will assume an Offeror takes no exceptions to any solicitation requirement if the Offeror does not submit an Addendum identifying such exceptions. Offeror's are advised that solicitation requirements are not necessarily negotiable and such exceptions may render an Offeror's proposal unacceptable and ineligible for award.

3. QUALIFICATION OF OFFEROR: Offeror's must be financially, socially, and ethically responsible to perform the work described in this solicitation. At a minimum, each Offeror must meet the following requirements to be eligible for award:

- a. Have an established business with a permanent address and telephone listing.
- b. Have the necessary personnel, equipment and financial resources available to perform the work.
- c. Have no adverse criminal record.
- d. Have no political or business affiliation which could be considered contrary to the interests of the United States.

4. SUMMARY OF INSTRUCTIONS.

Section	Title
00010	Executed Standard Form 1442
00010	Priced Line Items 0001 through 0002 (if applicable)
00100	Attachment – Breakdown of Price Proposal
00100	Technical/Past Performance/Price Proposal
00600	Completed Representations/Certifications

Any deviations, exceptions, or conditional assumptions taken with respect to any of the instructions or requirements of this solicitation shall be identified and explained/justified in the offer.

5. PROPOSAL CONTENTS: Each Offeror's proposal shall be submitted as set forth below and all information shall be confined to the appropriate part to facilitate independent evaluation. Proposals, which do not include the requested minimum information, may be eliminated from further consideration at the government's discretion. Proposal sections shall be labeled as such (i.e., Section I - Price, Section II-Technical, and Section III Past Performance). **Sections II & III may be sent together as one (1) document with two parts, but Section I price information (including the price list attachment) shall be completely separate from those sections.**

Section I - Pricing Information and Required Documents: Limit to three (3) or less double sided pages.

Offeror's shall provide all pricing information necessary to provide a meaningful basis for Government's analysis and evaluation of price for the project set forth in Section 00100 of this solicitation. The Government is not, and does not intend to, request certified cost or pricing data. Offeror's may be required during the evaluation process to provide sufficient price information that will enable the Government to perform a meaningful evaluation.

A complete response shall consist of the price response, and include a cover sheet. The Offeror shall provide their response with a cover sheet that contains the company's name, address and telephone number, name and title of the person authorized to sign and negotiate the contract at the appropriate dollar threshold, and the offer validation period of 90 days.

To be considered responsible, an Offeror must be in compliance with FAR 9.104(1)a. To demonstrate this aspect of Responsibility, Offeror's shall provide a bank reference from its bank with information of the Offeror's financial standing (i.e., satisfactory accounts, outstanding loans, and line of credit.).

Offer and Section 00010 – Complete in its entirety the "Offeror" portion of the Standard Form (SF) 1442 contract line items as applicable. An official having the authority to contractually bind the offering company must sign the SF 1442 in accordance with FAR 4.102. One copy of the SF 1442 is required to have an original signature.

Section 00010 – The Offeror shall submit with their proposal a completed pricing breakdown schedule (template included as attachment 1); otherwise, the Offeror's proposal shall be considered nonresponsive. The Offeror shall insert their price totals from their pricing breakdown schedule in the corresponding SF 1442 contract line item.

Section 00600 - Representations and Certifications - Insert the required Representations and Certifications and return only those shown in section 00600.

Standard Form 1442 - (Complete blocks 14 through 20C).

Blocks 14 through 15 – Complete all offeror contact information.

Block 17 – Add offer acceptance date and total price information. Total price from all line items taken from the “pricing breakdown schedule” attachment, and include the schedule itself with the proposal. The tax listed on the price list shall not be calculated as part of the total price. The USMILGP is a tax exempt organization.

Block 18 – No bonds required.

Block 19 - Amendments – Acknowledge receipt of amendments by signing any amendments issued during this solicitation, and entering the amendment numbers and dates in the spaces provided.

Block 20A through 20C – Add name and title of authorized person, signature, and date.

Section II - Technical Response: No page limits on the project schedule or the equipment/manufacturing specification sheets and warranty information.

1) Project Schedule. Offerors shall include in their technical proposal a complete project management schedule utilizing the Critical Path Method (CPM), Program Evaluation & Review Technique (PERT) or Gantt chart showing the following major construction phases: 1) site prep & excavation, 2) foundation beams, footings, slabs, and sidewalks 3) conventional masonry, 4) metallic structure, 5) water distribution system, 6) Electrical system, 7) interior & exterior finishing, and 7) clean up). The project schedule shall include float time within the 210 day maximum to account for down days due to inclement weather or other potential non-work situations. The proposed schedule shall include quality assurance inspections at the critical milestones of the project including site preparation, construction/installation work, and any separately identified unique repair efforts. The project schedule shall have expected completion dates, execution time of each phase, and a mid-point completion of project.
