SUBJECT: Solicitation Number SCO150-13-R-N005 for Bahia Solano Reaction Post

The Embassy of the United States of America invites you to submit a proposal for the construction of a Reaction Post in modular containers in Bahia Solano, Choco, Colombia.

If you are interested in submitting a proposal on this project, read the instructions in Section L of the attached Request for Proposals (RFP).

If you intend to submit a proposal, you should thoroughly examine all documents contained in the contract solicitation package. The Embassy intends to conduct a site visit (see L.6, 52.236-27) and hold a pre-proposal conference. All prospective offerors who have received a solicitation package are invited to attend. The conference will be held at the **Bahia Solano Navy Coast Guard Base on November 30, 2012 at 10:00am**. If you plan to attend, you must confirm your attendance with Ivan Morales at moralesil@state.gov on or before Wednesday, November 28, at 12:00pm.

Submit any questions you may have concerning the solicitation documents in writing to Ivan Morales at moralesil@state.gov by **December 7, 2012 at 2:00pm**. Responses will be sent in writing to all contractors on our list of interested parties.

If you need AutoCAD drawings for this solicitation, please email Ivan Morales at moralesil@state.gov.

Your proposal must be submitted in a sealed envelope marked "Proposal Enclosed" to Susan W. Story at Carrera 45 #24B-27, Bogota, Colombia **on or before 2:00pm on December 21, 2012**. No proposal will be accepted after this time.

Complete the OFFER portion of the Standard Form 1442, including all blank spaces, and have the form signed by an authorized representative of your company, or the proposal may be considered unacceptable and may be rejected.

In order for a proposal to be considered, you must also complete and submit the following:

1. Section B and Attachment 2, Proposal Breakdown by Divisions;
2. Section K, Representations and Certifications;
3. Bar Chart illustrating sequence of work to be performed;
4. Additional information as required in Section L.

The contract will be a firm fixed price contract, with no adjustment for any escalation in costs or prices of labor or materials. Each offeror will be responsible for determining the amount of labor and materials that will be required to complete the project, and for pricing its proposal accordingly.

Please be advised that each offeror is responsible for furnishing complete information to its subcontractor and suppliers, such as details and quantities required by the drawings and specifications. Subcontractors and suppliers
