

**Contractor Questions & Answers  
For Solicitation No. SCO150-13-R-N005  
Reaction Post Construction at Bahia Solano  
Choco– Colombia**

**December 07, 2012**

Following is a list of the questions I have received from the contractors participating in the above solicitation. Each question is followed by the Government's response.

*Question #1:* According to the site visit or past information, is it possible to have pictures of the project site?

*Answer:* **Photos of the project site are not available.**

*Question #2:* Are the storage tank and the pressure system located at a construction or equipment room in order to avoid weather exposure?

*Answer:* **The storage tank and the pressure system are covered by a roof cover and enclosed by a galvanized chain link fences mentioned in paragraph 2.03 of the technical specifications.**

*Question #3:* In order to propose the best price, an estimation of the assignment date for the Bid is required, especially in this time of the year; can you please provide an estimate?

*Answer:* **We expect to award the contract around February 1, 2013.**
