(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that --

(1) The offeror and/or any of its principals ( \_\_\_ ) are, ( \_\_\_ ) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,

(2) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) ( \_\_\_ ) Are, ( \_\_\_ ) are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

1. The Government anticipates awarding a Firm Fixed Price (FFP) type contract resulting from the RFQ solicitation and reserves the right to not award a contract at all depending on the quality of offers received and availability of funds.

2. IAW FAR Clause 52.212-2, basis of award is Low Price, Technically Acceptable.

3. Award of the contract resulting from this solicitation will be made to the responsible vendor whose offer is technically acceptable and the lowest cost or price. The Government reserves the right to determine which offers show the required capability IAW the evaluation factors. The Government also reserves the right to eliminate from further consideration those offers which are considered unacceptable and not capable of being made acceptable without major rewrite or revision.

4. The Government contemplates contract award **without discussions** with Offerors, except for clarifications as described in FAR Subpart 15.3. Therefore, the Vendor's initial offer should contain the Offeror's best terms from a cost or price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. In the event that discussions are held, a competitive range determination will be made. If the Contracting Officer determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of offers in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers.

5. Offerors must be technically qualified and financially responsible to perform the work described in this solicitation. To be considered responsible, an Offeror must be in compliance with FAR 9.104(1)a.

6. Trade-offs between cost/price and non-cost/price factors are not permitted. Unreasonably high, unbalanced, inaccurate or incomplete price offers may be the grounds for eliminating a offer from competition.

In order to be considered for award, a offer must have an "Acceptable" rating for each of the technical sub-factors and an overall "Acceptable" technical rating. Any "Unacceptable" rating on any of the sub-factors will result in an overall technical rating of "Unacceptable".

2. The following sub-factors shall be used to determine technical acceptability. Non-submission of one of these elements shall render the offer technically unacceptable and shall not be considered for award.

a. Sub-Factor 1 Vehicle Specifications

The vendor's offer will be evaluated to determine if the offeror provided the specifications stated in Par 3.3 of the Specifications.

b. Sub-Factor 2 Vehicle Registration

The vendor's offer will be evaluated to determine if the offeror complied with Supervigilancia Registration for each vehicle as stated in Par 3.4 of the Specifications.

c. Sub-Factor 3 Vehicle Insurance

The vendor's offer will be evaluated to determine if the offeror complied with vehicle insurance requirements as stated in Par 3.5 of the Specifications.

Total evaluated price shall be determined by adding the offered prices on the CLINs stated in the solicitation. In the event the unit price(s) and extended price(s) are ambiguous, the Government shall use the indicated unit price(s) for evaluation and award purposes. The Government will award a contract to the offeror whose technically acceptable offer represents the lowest price to the Government.

b. Unless otherwise specified, offerors shall submit prices for all CLINs and for all performance periods. Failure to submit a price for any CLIN/sub-CLIN shall result in the offer being considered unacceptable.

**C. EVALUATION APPROACH**

All offers shall be subject to evaluation by a team of Government evaluators. Each factor and sub-factor shall be evaluated using the following assessment approaches:

1. Technical Evaluation Approach. Offers will be rated on an "Acceptable" or "Unacceptable" basis. All technical sub-factors will receive an "Acceptable" or "Unacceptable" rating.
