SECTION SF 1449 - CONTINUATION SHEET

The following have been added by full text:

PERFORMANCE WORK STATEMENT**PERFORMANCE WORK STATEMENT (PWS)****Light Armored Vehicle Services (LAV)**

Part 1

General Information

1. **GENERAL:** This is a non-personal services contract to provide one (1) Light Armored Vehicle (LAV) services. The Government shall not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1 Description of Services/Introduction: The contractor shall provide all resources necessary to include but not limited to the LAVs, drivers, management, supervision, training, equipment, materials, supplies, fuel, repair parts, insurance, and maintenance and any other associated equipment and personnel to provide LAV services in support of U.S. personnel in Colombia.

1.2 Background: Force Protection requires the US Military Group (USMILGP), Bogota to travel in and around Bogota in Light Armored Vehicles with drivers when provide unified operational support.

1.3 Objectives: The purpose of this requirement is to provide one (1) light armored vehicle services with drivers for current operations in various locations throughout Colombia.

1.4 Scope: Light Armored Vehicle services include drivers, management, supervision, training, equipment, materials, supplies, fuel, repair parts, insurance, maintenance and any other associated equipment and personnel in support of personnel in specified areas of Colombia including but not limited to Bogota.

1.5 Period of Performance: The period of performance will be for one (1) base period of 12 months and one (1) 12 month option period. The Period of Performance reads as follows:

Base Year	23 Apr 2015 – 22 Apr 2016
Option Year I	23 Apr 2016 – 22 Apr 2017

1.6 General Information

1.6.1 Quality Control: The Contractor shall have a quality control process to ensure all work described in this PWS is performed at or above the standard defined in the Performance Requirements Summary (PRS) and that identifies and corrects potential and actual problem areas throughout the entire scope of the contract. The process shall include clear procedures to identify and prevent recurrence of defective services and shall contain specific surveillance techniques for contracted services. The Government reserves the right to review the contractor's quality control process, if deemed necessary. The contractor shall submit a quality control plan 10 days after contract award to the Government Representative and Contracting Officer for acceptance. After acceptance of the

quality control plan the contractor shall receive the contracting officer's acceptance in writing of any proposed change to the QC plan.

1.6.2 Quality Assurance: The government shall evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rate(s).

1.6.3 Recognized Holidays: There are no recognized holidays during the performance period as service is required 24 hours 7 days a week, 365 days a year.

1.6.4 Hours of Operation: Service will be as follows:

1.6.4.1 For 24-Hour Service: The contractor is responsible to provide and ensure that contractor personnel are on duty to accept and respond to service calls 24 hours a day, 7 days a week, 365 days a year.

NOTE: Individual drivers shall not work more than 12 hours a day or 60 hours in a seven day period including breaks. The contractor is responsible to provide sufficient drivers to comply with Colombian Labor Laws.

1.6.5 Place of Performance: The work to be performed under this contract will be performed in and around Bogota, Medellin, Cali, Bucaramanga, Villavicencio, Florencia, Yopal, Barranquilla, Sabanalarga, Santa Marta and areas surrounding these locales up to and including a 35 miles radius notwithstanding travel to and from the location.

1.6.6 Type of Contract: The government will award a Firm Fixed Price contract.

1.6.7 Other Requirements: Contractor personnel performing work under this contract must have following service driver requirements:

1.6.7.1 The Contractor shall provide licensed drivers with current local driver's licenses, the certificate for the Defensive driving training IAW local laws (School approved by Supervigilancia) and the requirements in the PWS.

1.6.7.2 The Contractor employees are strictly drivers and are not authorized to provide any other services. Contract drivers shall not run errands or conducting the personal business of the U.S. Government employee(s) to whom he is assigned.

1.6.7.3 All drivers shall carry working cellular phones, with enough minutes to accomplish duties during their assigned shift. The Contractor shall provide a list of all cell phone numbers for all Regional Security Office (RSO) approved drivers to the GR five days after the contract is issued. Additionally, the Contractor shall ensure that all drivers are provided the cell phone numbers for the GR and 24-Hour Emergency POC.

1.6.7.4 Alcoholic beverages, cognitive or motor skill impairing prescription drugs shall not be consumed. The use of these substances by Contractor personnel while on duty is strictly prohibited. The use of illegal drugs or substances by Contractor personnel is also strictly prohibited. The Contractor shall immediately remove and replace employees who appear to be under the influence of alcoholic beverages or prohibited substances.

1.6.7.5 The Contractor shall ensure compliance with the Colombian labor laws limiting the number of hours an individual employee may work in a given day/week. Replacement or relief drivers shall be made available for those instances when operational requirements mandate the availability of the vehicle service for longer periods than can be legally accommodated by one driver.

1.6.7.6 Contractor employees shall identify themselves as contractor personnel by introducing themselves or being introduced as contractor personnel and displaying distinguishing badges or other visible identification for meetings with Government personnel. In addition, contractor personnel shall appropriately identify themselves as contractor employees in telephone conversations and in formal and informal written correspondence.

1.6.8 Government Representative (GR): The Government Representative monitors all technical aspects of the contract and assists in contract administration. The GR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract: perform inspections necessary in connection with contract performance: maintain written and oral communications with the Contractor concerning technical aspects of the contract: issue written interpretations of technical requirements, including Government drawings, designs, specifications: monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of government furnished property, and provide site entry of Contractor personnel. A letter of designation issued to the GR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the GR, especially with regard to changes in cost or price, estimates or changes in delivery dates. The GR is not authorized to change any of the terms and conditions of the resulting order.

1.6.9 Project Manager: The Contractor shall designate a Project Manager (PM) fluent in Spanish and possesses a good working knowledge of English (Level 3 State Department Standards) to be able to communicate effectively. The PM shall act as the point of contact for all contract requirements.

1.6.10 Contractor's Employee Information and Clearance Requirements: The contractor shall provide the following information for each driver performing services under this contract to the GR at contract award for drivers' clearances and access:

- Full Name
- Copy of driver's license
- Copy of Colombian Identification Number
- Legal Background Certificate (Antecedentes)

1.6.10.1 The GR will provide a copy of this contract, the driver's information and RSO paperwork to the MILGP Force Protection Office for driver clearances.

1.6.10.2 If access to the embassy is NOT required, clearance takes about three working days. A copy of the identification number and prior legal issues document (pasado judicial) are required to be submitted.

1.6.10.3 If access to the embassy is required, clearance can take minimum of (90) working days or more. GR will make a determination of when drivers need access to the embassy. If access is required, the GR will coordinate with contractor for the documents requested by RSO, through the MILGP Force Protection Office.

1.6.10.4 The Contractor shall keep the current list of authorized drivers and provide updates to the KO and the GR as changes occur, to comply with this security requirement.

1.6.10.5 The KO through the recommendation from the GR reserves the right to exclude any driver from performance under this agreement if any information exists that the individual is a security risk. The exclusion of an employee for security reasons shall not relieve the Contractor from performance of services required under this agreement. Contractor shall replace the driver without additional cost to the contract.

1.6.10.6 The contractor shall be responsible for obtaining all driving and insurance credentials required under Colombian laws.

1.6.10.7 The Contractor shall comply with all the necessary permits mandated by the Government of Colombia. Contractor shall be responsible for processing access clearance with coordination from the GR.

PART 2 DEFINITIONS & ACRONYMS

2. DEFINITIONS AND ACRONYMS:

2.1 DEFINITIONS: Below is the list of the definitions:

2.1.1 CONTRACTOR. A supplier or vendor awarded a contract to provide specific supplies or service to the government. The term used in this contract refers to the prime.

2.1.2 CONTRACTING OFFICER (KO). A person with authority to enter into, administer, and or terminate contracts, and make related determinations and findings on behalf of the government. Note: The only individual who can legally bind the government.

2.1.3 GOVERNMENT REPRESENTATIVE (GR). An employee of the U.S. Government appointed by the contracting officer to administer the contract. Such appointment shall be in writing and shall state the scope of authority and limitations. This individual has authority to provide technical direction to the Contractor as long as that direction is within the scope of the contract, does not constitute a change, and has no funding implications. This individual does NOT have authority to change the terms and conditions of the contract, nor obligate the Government to expend funds.

2.1.4 NATIONAL INSTITUTE OF JUSTICE (NIJ): Organization in charge of Standards for Armored Vehicles.

2.1.5 QUALITY CONTROL. All necessary measures taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

2.1.6 SUBCONTRACTOR. One that enters into a contract with a prime contractor. The Government does not have private of contract with the subcontractor.

PART 3

GOVERNMENT FURNISHED PROPERTY, EQUIPMENT, AND SERVICES

3. GOVERNMENT FURNISHED ITEMS AND SERVICES:

N/A

PART 4
CONTRACTOR FURNISHED ITEMS AND SERVICES

4. CONTRACTOR FURNISHED ITEMS AND RESPONSIBILITIES:

4.1 General: The contractor shall provide all resources necessary to include but not limited to management, supervision, personnel/drivers, training, equipment, materials, supplies, fuel, repair parts, maintenance, insurance and any other equipment needed.

4.2 Secret Facility Clearance: N/A

4.3 Materials:

4.3.1 One (1) Spare Tire per vehicle. The operational spare tire will be in accordance with the PWS requirement for LAV tires, i.e. hard rubber inserts in a run-flat tire.

4.3.2 One (1) toolbox per vehicle containing sufficient quality and variety of screwdrivers, lug wrenches, adjustable wrenches, hammers, and pliers to effect most minor repairs to a light armored vehicle.

4.3.3 One (1) operational jack per vehicle with sufficient capacity to support the light armored vehicle when loaded with fuel and all associated equipment.

4.3.4 One (1) first aid kit per vehicle complete with sufficient medical supplies to provide immediate care for non-life threatening injuries.

4.3.5 One (1) operational fire extinguisher per vehicle.

4.3.6 Two (2) wheel / chock blocks sufficient to secure and hold the vehicle by the tires when parked either on a flat surface or slight incline

4.3.7 One (1) operational LED flashlight, minimum one hundred (100) lumens and one (1) hand-held spotlight with a large reflector, minimum one thousand (1000) lumens.

4.3.8 Two (2) functional reflective warning triangles and two (2) functional safety flares

4.4 Equipment: One (1) Light Armored Vehicles as specified.

PART 5
SPECIFIC TASKS

5. Specific Tasks:

5.1 Basic Services: The contractor shall provide one (1) Light Armored Vehicles with driver and maintenance and upkeep of the vehicles.

5.2 Vehicle Specifications: The contractor shall provide the following specifications for the Light Armored Vehicles.

5.2.1 The Contractor shall provide armored vehicles that provide 360 degree protection in accordance with the National Institute of Justice, Ballistic Resistant Protective Materials, and NIJ Standard 0108.01 Level IIIA. All armoring must meet this standard. Independent ballistic testing of armoring material will be provided as part of the vendor's proposal. The armoring will include 360 degree armoring that ensures the vehicle's interior passenger compartment; including roof and floor are protected. The 360 degree armoring must also provide 100% protection

of the vehicle's critical mechanical, hydraulic and electrical components, and the vehicular management systems. Contractor shall be required to provide compliance documentation for all armored vehicles. See website <https://www.justnet.org/pdf/0108.01.pdf> for complete details.

5.2.2 All vehicles shall be at least the model year 2013 or newer at the time of contract award. Vehicles must be in operational/functional excellent running condition in accordance with the Original Equipment manufacturers manual.

5.2.3 Tires shall have hard rubber inserts in the run-flat tires, not steel. Radiators shall have a bullet guard in front. Bullet-proof protection for the engine compartment and radiator shall be installed. The Fuel Tank shall be armored. Armored windows shall be one composite piece of glass.

5.2.4 Vehicle Type:

CLIN 0001: One (1) Light Armored Vehicle (LAV) SERVICES – Includes driver, management, supervision, training, equipment, materials, supplies, fuel, repair parts, insurance, maintenance and any other associated equipment and personnel, 24 hours a day, 7 days a week, 365 days a year with the following minimum specification/ characteristics

SUV Mid-Size

Model 2014 or newer

No. of Seats/Passenger Capacity Seven (7)

No. of Doors Five (5) Trunk door may be top-hinged or side-hinged

Fuel Engine Gasoline

Engine Cylinder 3,900 cc or larger

Vehicle for this mission will be changed every three months with the same specifications for the initial one.

NOTE: If the documents do not show any of the above specifications, vendors shall certify that the vehicles proposed comply with and meet the above specifications. This certification shall be in the company letterhead and signed by an authorized representative of the company.

5.3 Vehicle Registration: Compliance with Colombian Supervigilancia: Colombian law requires that all companies either leasing or owning armored vehicles shall be registered with the *Supervigilancia* and that each individual vehicle also be so registered. Vehicles used to support this requirement shall be owned and registered in the name of the company that leases or owns that vehicle. Each vehicle shall be insured to the limits required by law in the name of the vehicle's owner.

The contractor shall provide proof of vehicle registration, ownership and insurance for each vehicle with their proposals.

5.4 Vehicle Insurance: Contractor shall provide full insurance coverage for all vehicles IAW Colombian laws and regulations. Each vehicle shall be insured to the limits required by law in the name of the company/offeror.

5.5 Safety and Maintenance: The contractor shall comply with all local safety requirements to protect all persons from harm and U.S. Government property from damage. All vehicles shall meet all Colombian safety requirements and have, as a minimum, the following safety features working: rear and front lights, rear view mirrors, windshield wipers, parking brake, horn, air bags, seat belts and side view mirrors. Both the vehicle exterior and interior shall be free of excessive soil, rust and damage that might affect the operating condition of the vehicle. Contractor shall maintain vehicles in good operating condition in accordance with the Original Equipment manufacture's manual at all times. See Law 769, 2002 Colombian National Transit Laws.

5.5.1 Contractor shall provide a vehicle replacement during maintenance periods with same specifications in PWS 5.2.4.

5.5.2 Contractor shall be notified the GR in advance for the schedule maintenance for the vehicles.

5.6 Vehicle Damage: The Contractor is responsible for all damages to the vehicle, including wear and tear. However, in the case of documented damage to the vehicle as a result of hostilities against an authorized US Government occupant, the Contractor may request compensation from the US Government.

5.7 Employee Training: The Contractor shall be responsible for training employees on the proper use of armored and non-armored vehicles, defensive, offensive, safety and security driving techniques, evasive driving tactics, and the speed limit of vehicles on US Embassy and military installations and other safety regulations as applicable. All drivers shall be trained in performance of Preventive Maintenance Checks and Services (PMCS) on all vehicles in the Contractor's fleet. The Contractor shall conduct all training prior to beginning performance under this agreement and conduct annual training prior to the exercise of any options. Contractor shall maintain a record of driver training conducted and make the records available for GR inspection.

5.8 Response Time: The Contractor shall respond to all service requests within 60 minutes. In the event of an accident or a vehicle breaks down, the Contractor shall provide a replacement vehicle that conforms to all contract requirements and specifications; vehicle must be available for inspection with documents listed in PWS 5.12.

5.9 Service Calls: The Contractor shall establish procedures that will provide the Government caller with a service "Control Number" for verification of date/time that service was requested.

5.10 Subcontracting: Subcontracting is NOT authorized under this agreement. The vehicles provided for support of this requirement shall be owned by and the drivers' employees of the Contractor.

5.11 Vehicle Subtractions: The Government reserves the right to reduce number of vehicles provided during the period specified in the contract. If this occurs, a minimum 15-day notification will be provided to the contractor. Cost under the contract will be reduced accordingly based on the pro-rated vehicle price.

5.12 Vehicle Inspection: All vehicles shall be inspected periodically by the Government Representative (GR) and the Joint Logistics Facility (JLSF) to ensure compliance with regulations as stated in PWS. Vehicles shall be inspected before each performance period. The GR and contractor shall make a determination of when inspection will be conducted. All vehicle inspections shall be coordinated by the GR with the Joint Logistics Facility (JLSF), and the contractor two days in advance of the inspection. The GR will provide the JLSF inspector with an inspection checklist to use for their inspections. Once inspection is completed, a copy of the inspection will be provided to the GR and contractor no later than 1 hour after inspection.

5.12.1 The contractor shall remove any part of the vehicle if necessary, during vehicle inspection. The Government inspector shall not remove any vehicle part.

5.12.2 Vehicles that do not pass inspection shall be immediately replaced and shall be re-inspected prior to vehicle use. If the contractor cannot provide vehicles that pass inspection, the contract may be terminated for non-performance.

5.12.3 Vehicles shall be inspected prior to use when vehicle are replaced with another vehicle.

5.12.4 Contractor must retain/file all inspection results.

5.13 Documents Required for Vehicle Inspection: The contractor shall comply with the American Embassy Bogota Mission Policy No. 2010-001 Paragraph 9 only. The contractor shall provide hard copies to the GR and Joint Logistics Facility (JLSF), of the following documents/information at vehicle inspection:

- a. License provided by the superintendence for the armored vehicle (Requested by Supervigilancia - Colombian Law)

- b. Armored vehicle permit requested by Supervigilancia - Colombian Law
- c. Automobile insurance SOAT requested by The Ministry of Transportation - Colombian Law
- d. Liability Insurance requested by the Embassy Mission Policy No 2010-001 Summary of Motor Vehicles Safety Management)
- e. Proof of ownership requested by Ministry of Transportation- Colombian Law.
- f. Maintenance program
 - 1. Vehicle manufacturer, year, make, model, size, and type
 - 2. Vehicle chassis VIN number, license plate number, and vehicle number
 - 3. A checklist of major vehicle components requiring scheduled maintenance or service— component list.
 - 4. Annual safety inspections—either as a separate line item or identified in a line item with an interval that meets the requirement of annual inspection (the safety components inspected should be identified in the checklist).
 - 5. Scheduled maintenance activities to be performed, identified by either date (time period), odometer reading (elapsed mileage), or number of lift cycles.
 - 6. Dates the scheduled maintenance or service was actually completed, including any repairs made, depending on software used.
 - 7. Vehicle odometer mileage at time of each maintenance or service.
 - 8. Warranty maintenance service performed, whether noted as part of the regular scheduled maintenance, or performed separately.
 - 9. POC information of person who performed the maintenance.
- g. Armor certificate (Requested by Supervigilancia that certifies armor installed on the LAV which is provide by the Armor Company)
- h. Vehicle tax return
- i. The contractor shall provide an English summary of all Spanish documents submitted to the Government.

5.14 Documents Required for Drivers Inspection

The assigned driver to the vehicle shall provide a hard copy of the following documents for the inspection prior to driving for the MILGP to Joint Logistics Facility (JLSF) and the GR.

Below requirements are required by the American Embassy Bogota Mission Policy No. 2010-001 Summary of Motor Vehicles Safety Management.

- a. Copy of current driver's license. IAW (Colombian National Transit Laws)Codigo Nacional de Transito Law 769, 2011. Drivers with license can SUVs.

- b. Copy of the Physical Fitness and Mental Coordination Certificate CRC (Certificado de aptitud fisica mental y de coordinacion motriz)
- c. Copies of any and all driving related training certifications (Defensive driver's training certificate)
- d. Copy of Health Insurance Policy / Health Entity EPS (Empresa Promotora de Salud)
- e. Copy of Work Connected Injuries Policy ARL (Administradora de Riesgos Laborales)
- f. The contractor shall provide an English summary of all Spanish documents submitted to the Government.

5.15 Contractor Travel: Travel to various locations with Colombia may be required during the performance of this contract. Projected travel locations include travel to and from, as well as in and around, Bogota, Medellin, Cali, Bucaramanga, Villavicencio, Florencia, Yopal, Barranquilla, Sabanalarga, Santa Marta and areas surrounding these locales, up to and including a 35 miles radius, notwithstanding travel required to and from the locations from home station. If travel to other locations is required, the Contractor shall obtain approval from the COR prior to executing the travel. Travel costs, including lodging and per diem, shall be reimbursed for actual cost incurred not to exceed the Joint Travel Regulation (JTR) rate. The Contractor shall submit back-up documentation of cost incurred against the appropriate Travel CLIN. Any charges made against the Travel CLIN without prior COR authorization will not be reimbursed. Contractor shall not incur cost over the Not-to-Exceed amount of the JTR. For travel less than or including 12 hours neither per diem nor meals are not authorized and are not reimbursable in accordance with Federal Travel Regulation (FTR) Chapter 301, Part 301-11.2.

5.16 CONTRACTOR MANPOWER REPORTING (CMR) "The contractor shall report ALL contractor labor hours (including subcontractor labor hours) required for performance of services provided under this contract for the **Bogota, Colombia Embassy USMILGP** via a secure data collection site. The contractor is required to completely fill in all required data fields using the following web address: <http://www.ecmra.mil/> , and then click on "Department of the Army CMRA" or the icon of the DoD organization that is receiving or benefitting from the contracted services.

Reporting inputs will be for the labor executed during the period of performance during each Government fiscal year (FY), which runs October 1 through September 30. While inputs may be reported any time during the FY, all data shall be reported no later than October 31 of each calendar year, beginning with 2013. Contractors may direct questions to the help desk by clicking on "Send an email" which is located under the Help Resources ribbon on the right side of the login page of the applicable Service/Component's CMR website".
