(1) The offeror and/or any of its principals (___) are, (___) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,

(2) (___) Have, (___) have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(4) (___) Have, (___) have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

252.225-7040 CONTRACTOR PERSONNEL SUPPORTING U.S. ARMED FORCES DEPLOYED OUTSIDE THE UNITED STATES (MAY 2014)

(a) Definitions. As used in this clause--

Combatant Commander means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161.

Contractors authorized to accompany the Force, or CAAF, means contractor personnel, including all tiers of subcontractor personnel, who are authorized to accompany U.S. Armed Forces in applicable

operations and have been afforded CAAF status through a letter of authorization. CAAF generally include all U.S. citizen and third-country national employees not normally residing within the operational area whose area of performance is in the direct vicinity of U.S. Armed Forces and who routinely are collocated with the U.S. Armed Forces (especially in non-permissive environments). Personnel collocated with

U.S. Armed Forces shall be afforded CAAF status through a letter of authorization. In some cases, Combatant Commander subordinate commanders may designate mission-essential host nation or local

national contractor employees (e.g., interpreters) as CAAF. CAAF includes contractors previously identified as contractors deploying with the U.S. Armed Forces. CAAF status does not apply to contractor personnel in support of applicable operations within the boundaries and territories of the United States.

Designated operational area means a geographic area designated by the combatant commander or subordinate joint force commander for the conduct or support of specified military operations.

Designated reception site means the designated place for the reception, staging, integration, and onward movement of contractors deploying during a contingency. The designated reception site includes assigned joint reception centers and other Service or private reception sites.

Law of war means that part of international law that regulates the conduct of armed hostilities. The law of war encompasses all international law for the conduct of hostilities binding on the United States or its individual citizens, including treaties and international agreements to which the United States is a party, and applicable customary international law.

Non-CAAF means personnel who are not designated as CAAF, such as local national (LN) employees and non-LN employees who are permanent residents in the operational area or third-country nationals not

routinely residing with U.S. Armed Forces (and third-country national expatriates who are permanent residents in the operational area) who perform support functions away from the close proximity of, and do not reside with, U.S. Armed Forces. Government-furnished support to non-CAAF is typically limited to force protection, emergency medical care, and basic human needs (e.g., bottled water, latrine facilities,

security, and food when necessary) when performing their jobs in the direct vicinity of U.S. Armed Forces. Non-CAAF status does not apply to contractor personnel in support of applicable operations within the

boundaries and territories of the United States.

Subordinate joint force commander means a sub-unified commander or joint task force commander.

(b) General.

(1) This clause applies to both CAAF and non-CAAF when performing in a designated operational area outside the United States to support U.S. Armed Forces deployed outside the United States in--

(i) Contingency operations;

(ii) Humanitarian assistance operations;

(iii) Peace operations, consistent with Joint Publication 3-07.3; or

(iv) Other military operations or military exercises, when designated by the Combatant Commander or as directed by the Secretary of Defense.

(2) Contract performance in support of U.S. Armed Forces deployed outside the United States may require work in dangerous or austere conditions. Except as otherwise provided in the contract, the Contractor accepts the risks associated with required contract performance in such operations.

(3) When authorized in accordance with paragraph (j) of this clause to carry arms for personal protection, Contractor personnel are only authorized to use force for individual self-defense.

(4) Unless immune from host nation jurisdiction by virtue of an international agreement or international law, inappropriate use of force by contractor personnel authorized to accompany the U.S. Armed Forces can subject such personnel to United States or host nation prosecution and civil liability (see paragraphs (d) and (j)(3) of this clause).

(5) Service performed by Contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 106 note.

(c) Support.

(1)(i) The Combatant Commander will develop a security plan for protection of Contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it is in the interests of the Government to provide security because--

(A) The Contractor cannot obtain effective security services;

(B) Effective security services are unavailable at a reasonable cost; or

(C) Threat conditions necessitate security through military means.

(ii) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians.

(2)(i) Generally, CAAF will be afforded emergency medical and dental care if injured while supporting applicable operations. Additionally, non-CAAF employees who are injured while in the vicinity of U.S. Armed Forces will normally receive emergency medical and dental care. Emergency medical and dental care includes medical care situations in which life, limb, or eyesight is jeopardized. Examples of emergency medical and dental care include examination and initial treatment of victims of sexual assault; refills of prescriptions for life-dependent drugs; repair of broken bones, lacerations, infections; and traumatic injuries to the dentition. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized.

(3) Contractor personnel must have a Synchronized Predeployment and Operational Tracker (SPOT)-generated letter of authorization signed by the Contracting Officer in order to process through a deployment center or to travel to, from, or within the designated operational area. The letter of authorization also will identify any additional authorizations, privileges, or Government support that Contractor personnel are entitled to under this contract. Contractor personnel who are issued a letter of

authorization shall carry it with them at all times while deployed.

(4) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the designated operational area under this contract.

(d) Compliance with laws and regulations. (1) The Contractor shall comply with, and shall ensure that its personnel supporting U.S. Armed Forces deployed outside the United States as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable--

(i) United States, host country, and third country national laws;

(ii) Provisions of the law of war, as well as any other applicable treaties and international agreements;

(iii) United States regulations, directives, instructions, policies, and procedures; and

(iv) Orders, directives, and instructions issued by the Combatant Commander, including those relating to force protection, security, health, safety, or relations and interaction with local nationals.

(2) The Contractor shall institute and implement an effective program to prevent violations of the law of war by its employees and subcontractors, including law of war training in accordance with paragraph (e)(1)(vii) of this clause.

(3) The Contractor shall ensure that CAAF are aware--

(i) Of the DoD definition of "sexual assault" in DoDD 6495.01, Sexual Assault Prevention and Response Program;

(ii) That many of the offenses addressed by the definition are covered under the Uniform Code of Military Justice (see paragraph (e)(2)(iv) of this clause). Other sexual misconduct may constitute offenses under the Uniform Code of Military Justice, Federal law, such as the Military Extraterritorial Jurisdiction Act, or host nation laws;

(iii) That the offenses not covered by the Uniform Code of Military Justice may nevertheless have consequences to the contractor employees (see paragraph (h)(1) of this clause).

(4) The Contractor shall report to the appropriate investigative authorities, identified in paragraph (d)(6) of this clause, any alleged offenses under—

(i) The Uniform Code of Military Justice (chapter 47 of title 10, United States Code) (applicable to contractors serving with or accompanying an armed force in the field during a declared war or contingency operations); or

(ii) The Military Extraterritorial Jurisdiction Act (chapter 212 of title 18, United States Code).

(5) The Contractor shall provide to all contractor personnel who will perform work on a contract in the deployed area, before beginning such work, information on the following:

- (i) How and where to report an alleged crime described in paragraph (d)(4) of this clause.
- (ii) Where to seek victim and witness protection and assistance available to contractor personnel in connection with an alleged offense described in paragraph (d)(4) of this clause.
- (6) The appropriate investigative authorities to which suspected crimes shall be reported include the following—
 - (i) US Army Criminal Investigation Command at <http://www.cid.army.mil/reportacrime.html>;

Personnel seeking other forms of victim or witness protections should contact the nearest military law enforcement office

(3) All CAAF and selected non-CAAF, as specified in the statement of work, shall bring to the designated operational area a copy of the Public Health Service Form 791, "International Certificate of Vaccination" that shows vaccinations are current.

(iii) Deploying personnel have all necessary passports, visas, and other documents required to enter and exit a designated operational area and have a Geneva Conventions identification card, or other appropriate DoD identity credential, from the deployment center.

(iv) Special area, country, and theater clearance is obtained for all personnel deploying. Clearance requirements are in DoD Directive 4500.54, Official Temporary Duty Abroad, and DoD 4500.54-G, DoD Foreign Clearance Guide. ADDENDUM TO FAR 52.212-2

ADDENDUM TO FAR 52.212-2 EVALUATION – COMMERCIAL ITEMS

A. BASIS OF AWARD

1. This source selection is conducted in accordance with Federal Acquisition Regulation (FAR) 15.3, Source Selection, as supplemented by the Defense Federal Acquisition Regulation Supplement (DFARS), and the Army Federal Acquisition Regulation Supplement (AFARS). Award will be made to a single offeror who is deemed responsible in accordance with the FAR, whose quote conforms to the solicitation requirements, and whose quote, determined by an overall assessment of the evaluation criteria and other considerations specified in this solicitation, represents the Lowest Priced Technically Acceptable offer.

2. The Government contemplates contract award **without discussions** with Offerors, except for clarifications as described in FAR Subpart 15.3. Therefore, the Offeror's initial quote should contain the Offeror's best terms from a cost or price and technical standpoint. The Government reserves the right to conduct discussions if the

Contracting Officer later determines them to be necessary. In the event that discussions are held, a competitive range determination will be made. If the Contracting Officer determines that the number of quotes that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of quotes in the competitive range to the greatest number that will permit an efficient competition among the most highly rated quotes.

3. Offerors must be technically qualified and financially responsible to perform the work described in this solicitation. To be considered responsible, an Offeror must be in compliance with FAR 9.104(1)a.

4. Trade-offs between cost/price and non-cost/price factors are not permitted. Unreasonably high, unbalanced, inaccurate or incomplete price quote may be grounds for eliminating a quote from competition.

B. EVALUATION FACTORS

1. Factor 1: Technical Acceptability. Quotes will be rated on an “Acceptable”, or “Unacceptable” basis. In order to be considered for award, a quotes must have an “Acceptable” rating for each of the technical sub-factors and an overall “Acceptable” technical rating. Any “Unacceptable” rating on any of the sub-factors will result in an overall technical rating of “Unacceptable”.

2. The following sub-factors shall be used to determine technical acceptability. Non-submission of one of these elements shall render the quote technically unacceptable and shall not be considered for award.

a. Sub-Factor 1 Vehicle Specifications

The offeror’s quotes will be evaluated to determine if the offeror provided the specifications stated in Part 5 Par 5.2 through Par 5.2.4 of the PWS.

b. Sub-Factor 2 Supervigilancia Registration for Vehicles

The offeror’s quotes will be evaluated to determine if the offeror complied with Supervigilancia Registration for each vehicle as stated in Part 5 Par 5.3 of the PWS.

c. Sub-Factor 3 Vehicle Insurance

The offeror’s quotes will be evaluated to determine if the offeror complied with vehicle insurance requirements as stated in Part 5 Par 5.4 of the PWS.

d. Sub-Factor 4 Armoring Certificate and Independent Ballistic Certificate Testing

The vendor's quote will be evaluated to determine if the offeror complied with vehicle armoring and independent ballistic certificates as stated in Part 5 Para 5.2.1 of the PWS.

e. Sub-Factor 5 Vehicles Pre-inspection

Vehicles will be inspected prior to contract award IAW PWS Part 5 Para 5.12 through Para 5.12.3 of the PWS. These inspections will occur ONLY after the offeror has been determined technically acceptable as a result of being evaluated in accordance with FAR 52.212-2 and its addendum. All vehicles included in the offer shall pass inspection. If one vehicle does not pass inspection, the offer will not be considered for contract award.

3. Factor 2: Price

a. Total evaluated price shall be the basis for evaluating price for contract award decision purposes. Total evaluated price shall be determined by adding the offered prices on the CLINs stated in the solicitation. In the event the unit price(s) and extended price(s) are ambiguous, the Government shall use the indicated unit price(s) for evaluation and award purposes. The Government will award a contract to the offeror whose technically acceptable offer represents the lowest price to the Government.

b. Unless otherwise specified, offerors shall submit prices for all CLINs. Failure to submit a price for any CLIN/sub-CLIN shall result in the offer being considered unacceptable.

c. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. As part of the price evaluation, the Government will evaluate the Option to -Extend Services under FAR Clause 52.217-8 by adding one-half of the offeror's final option period price to the offeror's total price. Thus, the offeror's total price, for the purpose of evaluation will include the prices for the base period, first option and one-half of the first option. DBA insurance, if any and travel, will not be included in evaluating price. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

C. EVALUATION APPROACH

All quotes shall be subject to evaluation by a team of Government evaluators. Each factor and sub-factor shall be evaluated using the following assessment approaches:

1. Technical Evaluation Approach. Quotes will be rated on an "Acceptable" or "Unacceptable" basis. All technical sub-factors will receive an "Acceptable" or "Unacceptable" rating.

| Rating | Description |
|---------------|--|
| Acceptable | Quote clearly meets the minimum requirements of the solicitation |
| Unacceptable | Quote does not clearly meet the minimum requirements of the solicitation |

2. Price Evaluation Approach. Total evaluated price shall be the basis for evaluating price for contract award decision purposes. Total evaluated price shall be determined by adding the total price for all options to the total price for the basic requirement plus one-half of the offeror's final option period price. In the event the unit price (s) and extended price(s) are ambiguous, the Government shall use the indicated unit price(s) for evaluation and award purposes. The Government reserves the right to make an award on any item of a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the offer.
