## 52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS (OCT 2015)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that-

(i) The Offeror and/or any of its Principals-

(A) Are ( ) are not ( ) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ( ) have not ( ), within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property (if offeror checks "have", the offeror shall also see 52.209-7, if included in this solicitation); and

(C) Are ( ) are not ( ) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision.; and

(D) Have , have not , within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples. (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has ( ) has not ( ), within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)

#### 52.212-2 EVALUATION--COMMERCIAL ITEMS (OCT 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

1. Technical Acceptability
2. Prices

Award will be made to the lowest priced technically acceptable proposal.

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that --

(1) The offeror and/or any of its principals ( \_\_\_ ) are, ( \_\_\_ ) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,

(2) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) ( \_\_\_ ) Are, ( \_\_\_ ) are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ( \_\_\_ ) Have, ( \_\_\_ ) have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

FAR 52.212-3 Offeror Representations and Certifications – Commercial Items

ADDENDUM TO FAR 52.212-2

**ADDENDUM TO FAR 52.212-2 EVALUATION – COMMERCIAL ITEMS**

**A. BASIS OF AWARD**

1. In accordance with FAR subpart 13.5, the Government anticipates awarding a Firm Fixed Price (FFP) type contract resulting from the RFQ.

2. IAW FAR Clause 52.212-2, basis of award is Lowest Price, Technically Acceptable.

3. Award of the contract resulting from this solicitation will be made to the responsible vendor whose offer is technically acceptable and the lowest cost or price. The Government reserves the right to determine which offers show the required capability IAW the evaluation factors. The Government also reserves the right to eliminate from

further consideration those offers which are considered unacceptable and not capable of being made acceptable without major rewrite or revision.

4. The Government contemplates contract award **without discussions** with Offerors, except for clarifications as described in FAR Subpart 15.3. Therefore, the Vendor's initial offer should contain the Offeror's best terms from a cost or price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. In the event that discussions are held, a competitive range determination will be made. If the Contracting Officer determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of offers in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers.

5. Offerors must be technically qualified and financially responsible to perform the work described in this solicitation. To be considered responsible, an Offeror must be in compliance with FAR 9.104(1)a.

6. Trade-offs between cost/price and non-cost/price factors are not permitted. Unbalanced, inaccurate or incomplete price offers may be the grounds for eliminating a offer from competition.

7. To be acceptable, the proposed vehicles shall meet the minimum specifications IAW Para 3.0 through 3.2 of the Specifications.

## **B. EVALUATION FACTORS**

1. Factor 1: Technical Acceptability. Offers will be rated on an "Acceptable", or "Unacceptable" basis. In order to be considered for award, a offer must have an "Acceptable" rating for each of the technical sub-factors and an overall "Acceptable" technical rating. Any "Unacceptable" rating on any of the sub-factors will result in an overall technical rating of "Unacceptable".

2. The following sub-factors shall be used to determine technical acceptability. Non-submission of one of these elements shall render the offer technically unacceptable and shall not be considered for award.

### **a. Sub-Factor 1 Vehicle Specifications**

The vendor's offer will be evaluated to determine if the offeror provided the specifications stated in Para 3.0 through 3.2 of the Specifications.

### **b. Sub-Factor 2 Vehicle Registration**

The vendor's offer will be evaluated to determine if the offeror complied with Ministerio de Turismo Registration as stated in Para 3.3 of the Specifications.

### **c. Sub-Factor 3 Vehicle Insurance**

The vendor's offer will be evaluated to determine if the offeror complied with vehicle insurance requirements as stated in Para 3.4 of the Specifications.

### **d. Sub-Factor 4 Vehicles Pre-Inspection**

Vehicles will be inspected prior to contract award IAW Para 3.0 through Para 3.3. and Para 5.2. through para 5.3 of the Specifications. These inspections will occur ONLY after the offeror has been determined technically acceptable as a result of being evaluated in accordance with FAR 52.212-2 and its addendum for Sub-factors 1,2, 3 and 4

above. All vehicles included in the offer shall pass inspection. If one vehicle does not pass inspection, the offer will not be considered for contract award.

## 2. Factor 2: Price

a. Total evaluated price shall be the basis for evaluating price for contract award decision purposes. Total evaluated price shall be determined by adding the offered prices on the CLINs stated in the solicitation. In the event the unit price(s) and extended price(s) are ambiguous, the Government shall use the indicated unit price(s) for evaluation and award purposes. The Government will award a contract to the offeror whose technically acceptable offer represents the lowest price to the Government.

b. Unless otherwise specified, offerors shall submit prices for all CLINs and for all performance periods. Failure to submit a price for any CLIN/sub-CLIN shall result in the offer being considered unacceptable.

c. Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. As part of the price evaluation, the Government will evaluate the Option to Extend Services under FAR Clause 52.217-8 by adding one-half of the offeror's final option period price to the offeror's total price. Thus, the offeror's total price, for the purpose of evaluation will include the prices for the base period, first option and one-half of the first option. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of option(s) shall not obligate the Government to exercise the option(s).

## C. EVALUATION APPROACH

All offers shall be subject to evaluation by a team of Government evaluators. Each factor and sub-factor shall be evaluated using the following assessment approaches:

1. Technical Evaluation Approach. Offers will be rated on an "Acceptable" or "Unacceptable" basis. All technical sub-factors will receive an "Acceptable" or "Unacceptable" rating.

<b>Rating</b>	<b>Description</b>
Acceptable	Offer clearly meets the minimum requirements of the solicitation
Unacceptable	Offer does not clearly meet the minimum requirements of the solicitation

2. Price Evaluation Approach. Total evaluated price shall be the basis for evaluating price for contract award decision purposes. Total evaluated price shall be determined by adding the total price for all options to the total price for the basic requirement plus one-half of the offeror's final option period price. In the event the unit price (s) and extended price(s) are ambiguous, the Government shall use the indicated unit price(s) for evaluation and award purposes. The Government reserves the right to make an award on any item of a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the offer.
