Message for U.S. Citizens:

Voting Message

July 5, 2016

Celebrate democracy this 4th of July by taking the necessary steps to vote in the 2016 U.S. elections!

In order to vote in the November 2016 elections, all overseas U.S. citizens need to have completed a [Federal Post Card Application \(FPCA\) in 2016](#). Whether you are a first-time voter or have already received ballots and voted absentee in past elections, you must complete an FPCA **each year** to participate in elections as an overseas absentee voter.

You can always get voting assistance from the consular section or drop off your completed voting forms and ballots with appropriate U.S. postage if necessary, addressed to your local election officials.

You may drop off voting materials (FPCA forms, ballots, etc.) 8 a.m. – 6 p.m., seven days a week, at the front entrance of U.S. Embassy Kinshasa located on Avenue des Aviateurs (across from Hunga Busta). You do not need an appointment for this drop-off, but please bring your U.S. passport. Once we receive your voting material bearing sufficient domestic U.S. postage, we will put it in our diplomatic pouch for return to the U.S. (Note: postage paid materials are available at FVAP.gov). The diplomatic pouch can take two weeks or more to reach U.S. mailing addresses, so we suggest you mail your ballot requests no later than August 1, 2016.

If you have never voted while overseas before, the process is easy -- just follow these steps:

1. **Request Your Ballot:** Complete a new [Federal Post Card Application \(FPCA\)](#). *You must complete a new FPCA after January 1, 2016 to ensure you receive your ballot for the 2016 elections.* The completion of the FPCA allows you to request absentee ballots for all **elections for federal offices (President, U.S. Senate, and U.S. House of Representatives)** including primaries and

special elections during the calendar year in which it is submitted. The [FPCA](#) is accepted by all local election officials in all U.S. states and territories.

You can complete the FPCA **online** at [FVAP.gov](#). The online voting assistant will ask you questions specific to your state. We encourage you to ask your local election officials to deliver your blank ballots to you electronically (by email, internet download, or fax, depending on your state). Include your email address on your FPCA to take advantage of the electronic ballot delivery option. Return the FPCA per the instructions on the website. FVAP.gov will tell you if your state allows the [FPCA](#) to be returned electronically or if you must submit a paper copy with original signature. If you must return a paper version, please see below for mailing options.

- 2. Receive and Complete Your Ballot:** States are required to send out ballots 45 days before a regular election for federal office and states generally send out ballots at least 30 days before primary elections. For most states, you can confirm your [registration and ballot delivery online](#).
- 3. Return Your Completed Ballot:** Some states allow you to return your completed ballot electronically and others do not. If your state requires you to return paper voting forms or ballots to local election officials, you can do so free of charge at the nearest U.S. embassy or consulate. Place your ballots in postage paid return envelopes or in envelopes bearing sufficient domestic U.S. postage, and address them to the relevant local election officials.
