### **USCGC Diligence Guardsmen Volunteer at Birgen di Rosario**

On Tuesday, 26 May, Coast Guardsmen from the USCGC DILIGENCE and Air Force personnel from the US FOL volunteered for a community service landscaping project at Nos Lanterno, clearing overgrown brush that reached nearly 10m.

Nos Lanterno is an elder care facility and part of the Birgen di Rosario foundation, which provides nursing and home care to the elderly.

The USCGC DILIGENCE is a diesel powered, helicopter-capable Coast Guard cutter with 76 crewmembers and home ported in Wilmington, North Carolina. The USCGC DILIGENCE performs a variety of missions throughout the Caribbean; including protecting the environment and helping staunch the flow of illegal drugs and contraband in the region.

USCGC Diligence info can be found on their website: [www.uscg.mil/lantarea/cgcDiligence](http://www.uscg.mil/lantarea/cgcDiligence).

The crew also had the opportunity to meet with other members of the community and visit some of the many tourist attractions in Curacao.
